The twelve, whose selection was based on scholarship, character, leadership and service, included David Brand, Linda Esselburn, Jack Gabler, Jennie Hancock, Judy Just, Susan Kemp, Jane Reid, Mary Schalmo, Louise Seifert, Gary Stephen, Linda Suderow and Irene Turnbaugh.

Those members, in turn, tapped eight juniors for membership, during the awards ceremonies at the school last Monday. The eight, who received certificates, pins and a red rose from the senior members, are Cora Boser, Georgia Jones, James

Kunkle, Vernon Siber, Ann Weinrich, Patricia Wilhelm, Peggy Lou Stinson and Helen Stockert. Miss Mary Fletcher and Mrs. Doris Grant worked on establishing the society, and Gerald Mosso, Roy Ober and W.S. Stinson were on the honors committee.

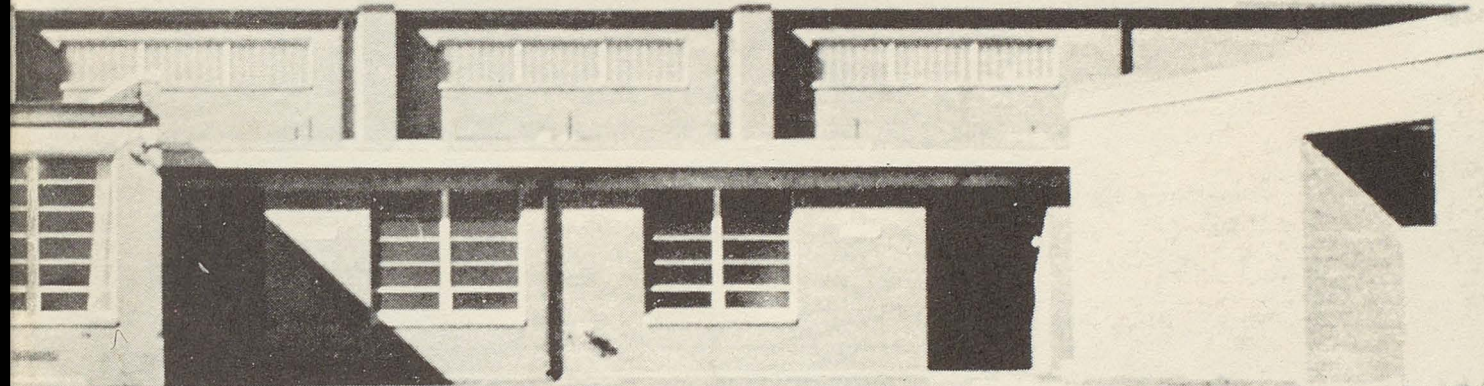

Students who received certificates for having been on the honor roll all year included David Brand and Irene Turnbaugh, seniors; Peggy Lou Stinson and Ann Weinrich, juniors; James Chenevy, George Gabor, William Shondel, Carolyn Stalnaker and Barbara Kendall, sophomores; Jane Culp, David Juersivich, Joyce Shondel and Linda Toomey, freshmen.

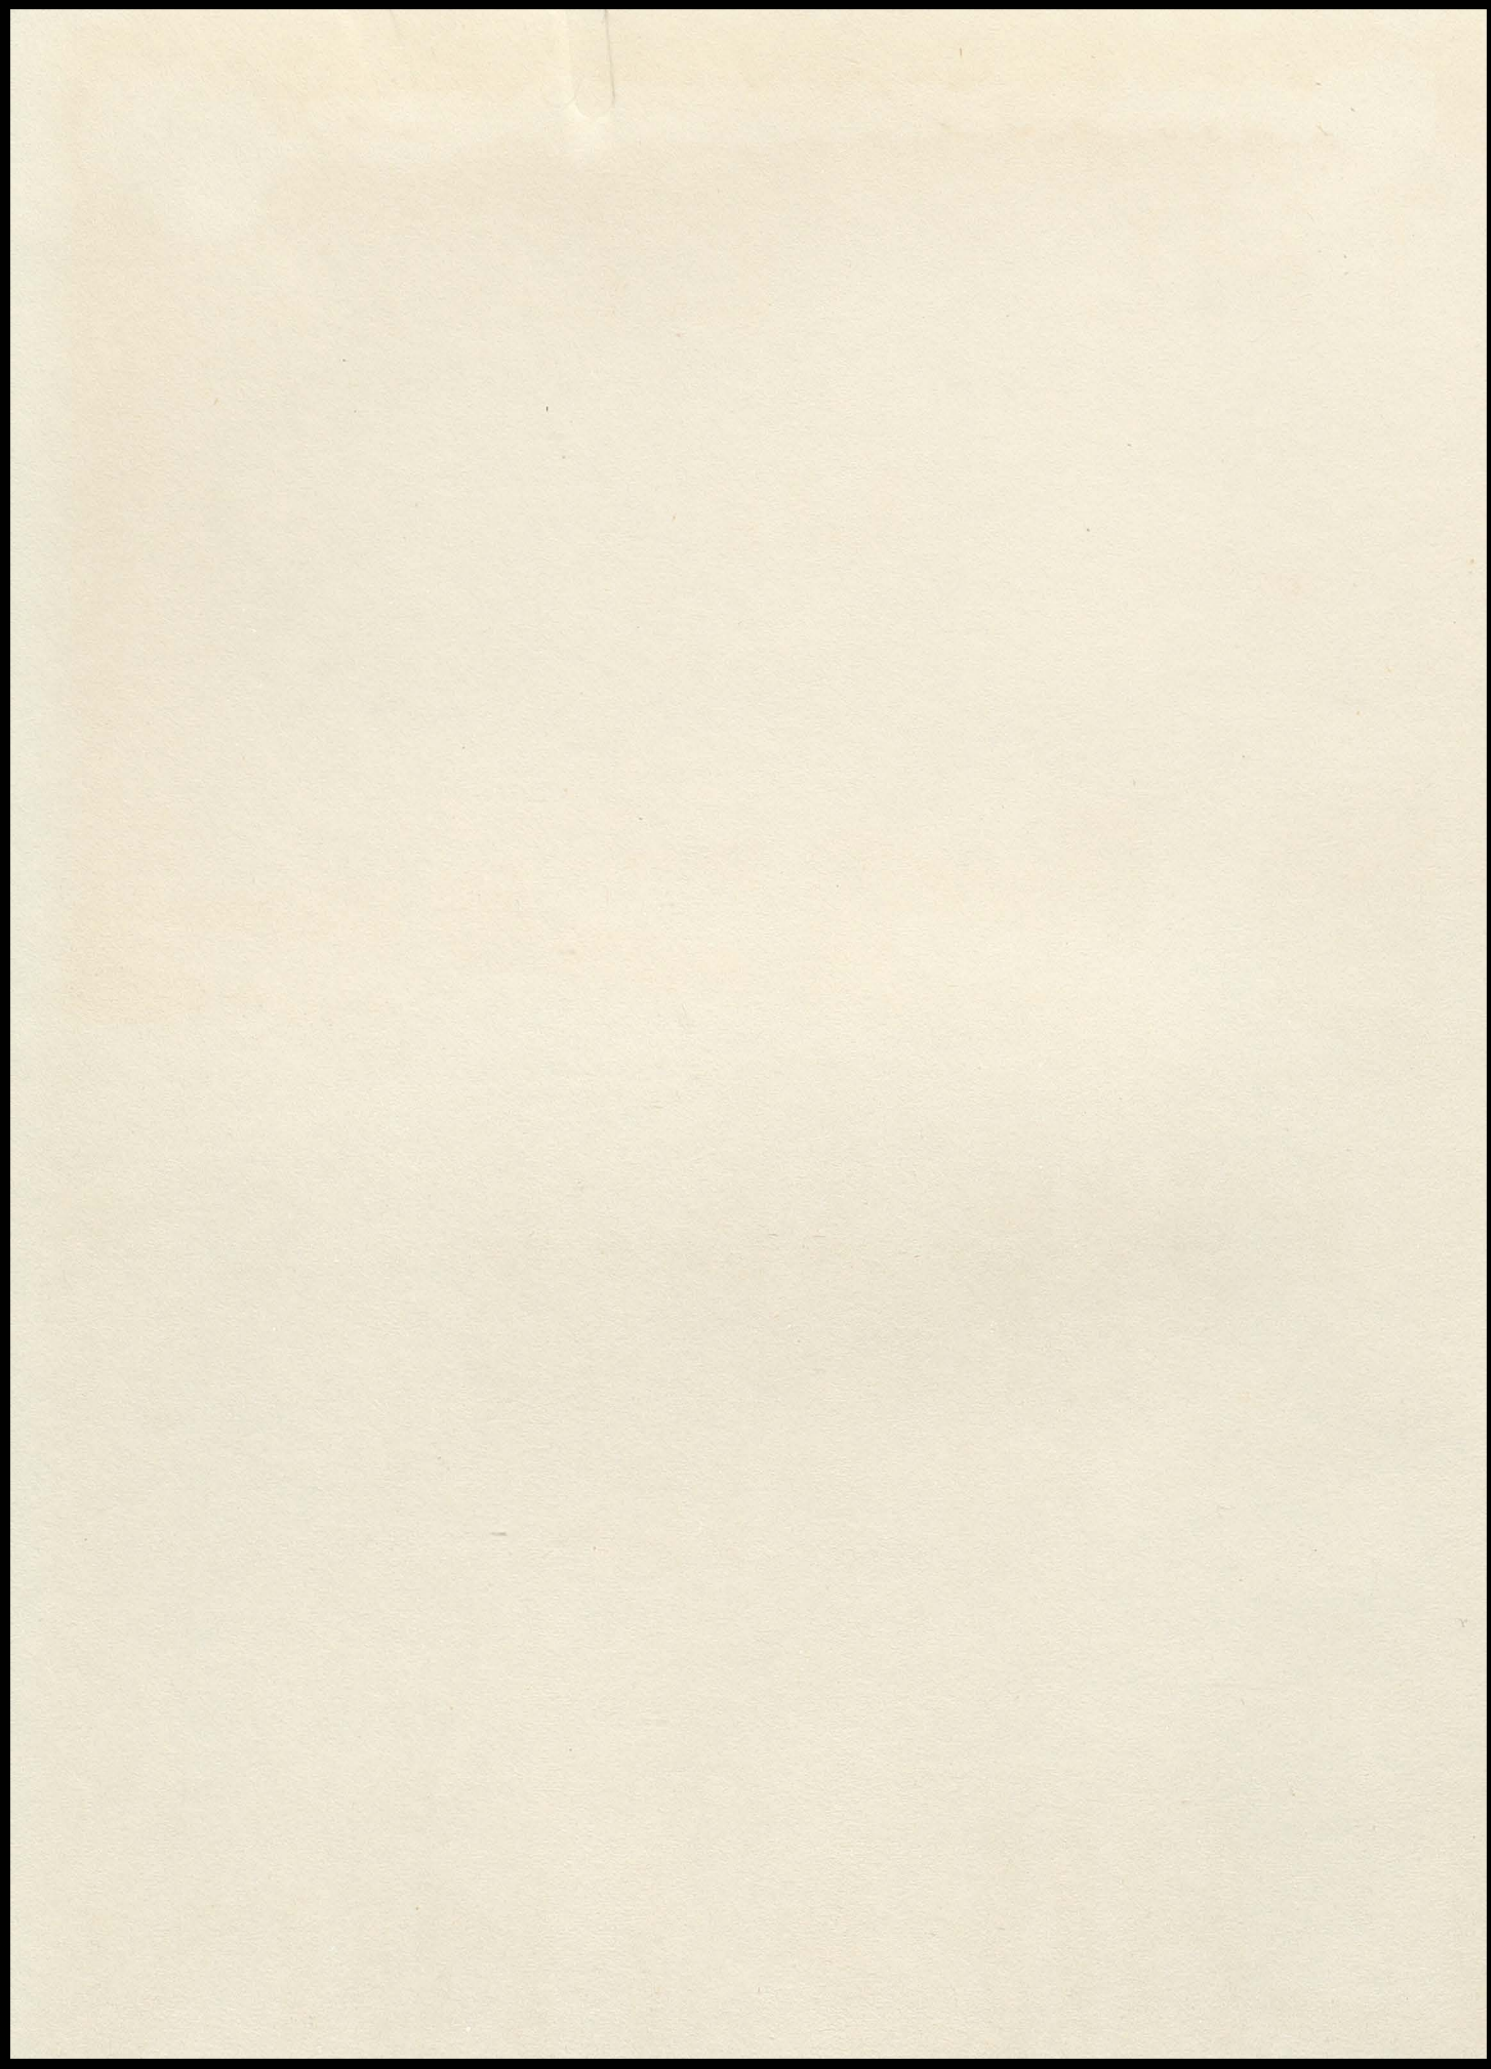

Jane Reid, David Brand and Peggy Stinson received certificates for the annual nationwide English examination, sponsored by the English department of Central high

school, Superior, Wis. Jennie Hancock received the DAR pin for her senior essay, and Irene Turnbaugh received an award of the "Standard Handbook for Secretaries" from the Massillon Chapter of the National Secretaries Association and the Underwood award of merit, as the outstanding commercial student. Linda Suderow received the award as the outstanding typing student, and her 70 word-per-minute pin.

Certificates of merit went to Ladd McIntosh, who received honorable mention in the district scholarship exams in American history; William Shondel, honorable mention in world history, and Jane Reid, honorable mention in English XII. They also received trophies.

The honor graduates, who had a 3.5 or better average for their four years of high school included David Brand, Jack Gabler, Irene Turnbaugh, Jennie Hancock and Jane Reid. They wore a double gold cord around their necks, and gold tassels on their hats at commencement services.

Compliments of

DAVIS STUDIO

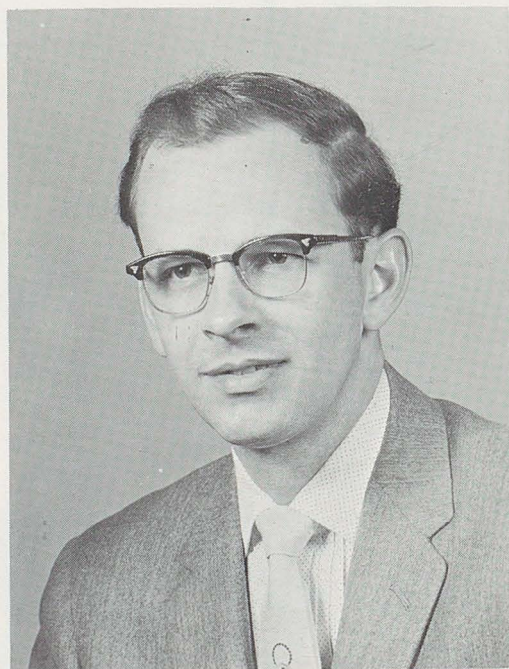

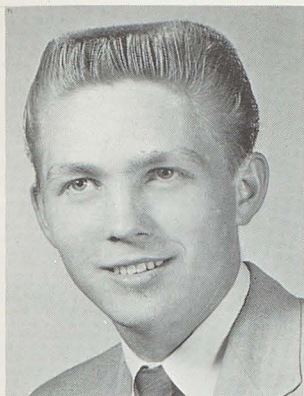

The senior class officers of 1959 are Dave Brand, President; Jack Gabler, Vice-President; Wanda Hofsteter, Secretary; Jennie Hancock, Treasurer; and the sergeants-at-arms are Richard Dye, Bob McFarland, and Tom Otto. Mr. Phillips and Mr. Luther are our class advisors. They have helped us this year as well as during our previous years at Northwest. Both our class advisors and officers have made these years a pleasant success.

Mr. Luther has been one of our class advisors for the past two years. His helpfulness and the way in which he supported our rights and privileges will make him a life-long friend of all of us.

Mr. Phillips has given up much of his personal time to help the senior class through its four years at high school. His guidance, help, and trust toward us will be remembered when we recall our years at Northwest.

MUSIC

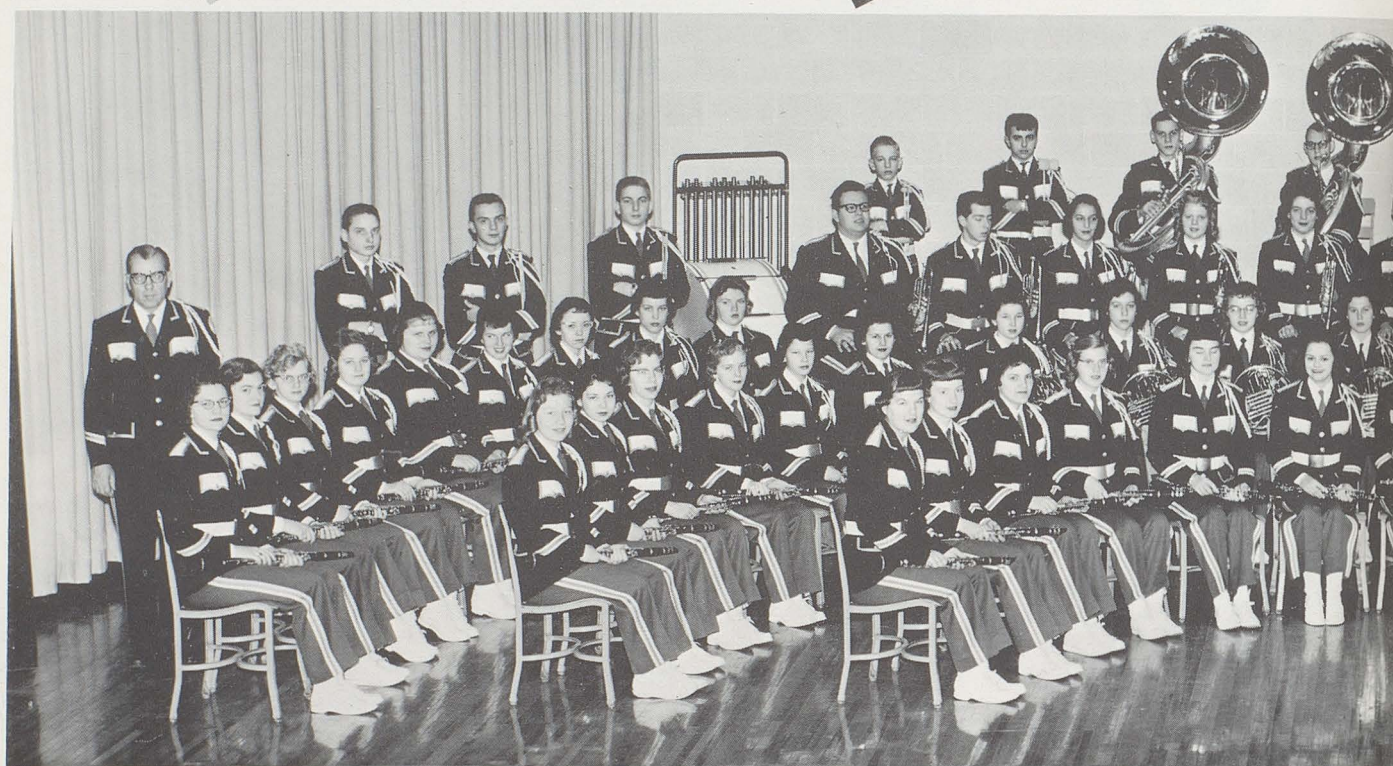

DEPARTMENT

JANE REID
President

JUDY JUST
Vice-President

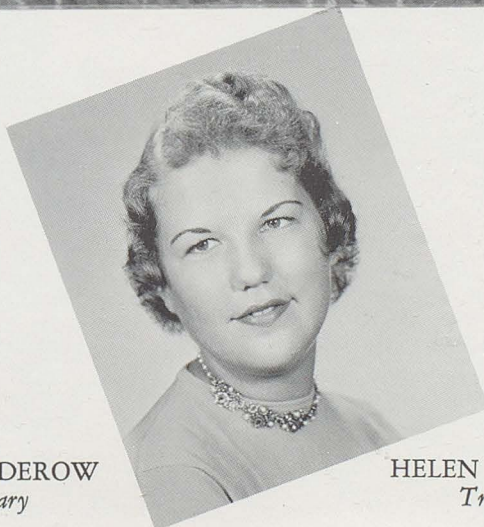

We are proud to say that graduates of our band are now playing in the Baldwin-Wallace College Band, the Ohio State University Band, the Lakewood Symphony Band, the United States Army Band, and the United States Air Force Band. Graduates of our band have been in groups which have played at the Rose Bowl Game in California, welcomed the Queen of England in Washington, and have played for the inauguration of the Governor of Ohio and the President of the United States.

Such accomplishment is the result of many hours of hard work on the part of the band members and the excellent leadership of Mr. Puffenberger.

We wish to express our appreciation to Mr. E. W. Puffenberger, who has been responsible for the growth and development of our music department through these many years. Such a combination of musical ability, leadership, and fine character is rare; and our school and community are most fortunate to have kept Mr. Puffenberger over a period of so many years.

CONCERT BAND

The Northwest High School Concert Band, consisting of 80 members, is the largest in the history of our school. Highlights of its year include three concerts presented in December, February, and May. These concerts attract not only our own community, but music people from far and wide. The band also sponsors a band clinic in January which is attended by the best bandsmen from Ohio and surrounding states. The band also participates in the Stark County Music Festival and occasionally presents a concert in another city. Last, but not least, we mention its contest record of sixteen first place ratings in the state.

ATHLETICS

STARK COUNTY "A" CHAMPS

Through long hours of practice, the Northwest Indians became the Stark County Class "A" champs. This was not the only element involved in this honor. Energy, fight, and a very strong determination helped the Indians. The support of the entire student body throughout the season was what the Indians needed to reach their desired goal. The fight was hard, but, thanks to the superior coaching of Mr. Mosso and Mr. Halpin, we succeeded.

VARSITY CHEERLEADERS

School spirit led by these six cheerleaders was largely responsible for many a victory for Northwest and for the attitude of good sportsmanship on the part of the entire student body. Much credit should belong to them for the many hours and hard work they did throughout the year.

MISS KAY FISHER

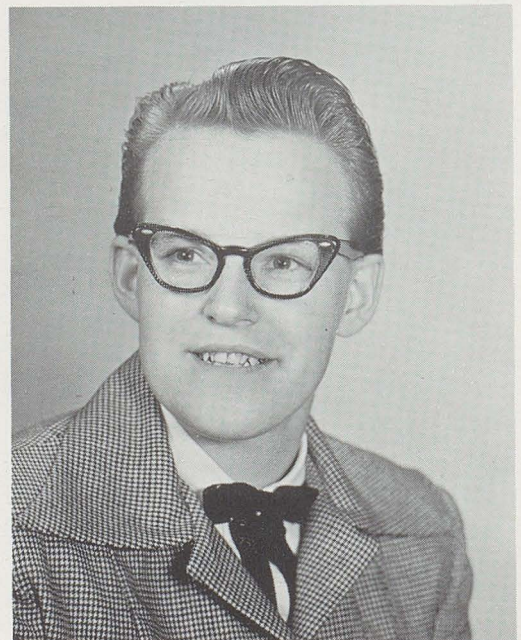

Advisor

Miss Fisher has done much to help the cheerleaders in the two years that she has been at Northwest. A great amount of thanks is credited to her by us for the time and work she has displayed.

JUANEVA STAHL

Manager

We wish to thank "Peanuts" for the ways in which she has aided us during the cheerleading season. Her helpfulness and generosity will always be remembered by all of us.

VARSITY

Northwest took second place in the Stark County Basketball "A" League. The Indians finished the regular season with a 14-4 record. The superb coaching of Mr. Healy inspired the boys to win many games, but perhaps more important was the training of good sportsmanship. "When the one great Scorer comes to call your name, it matters not who won or lost, but how you played the game."

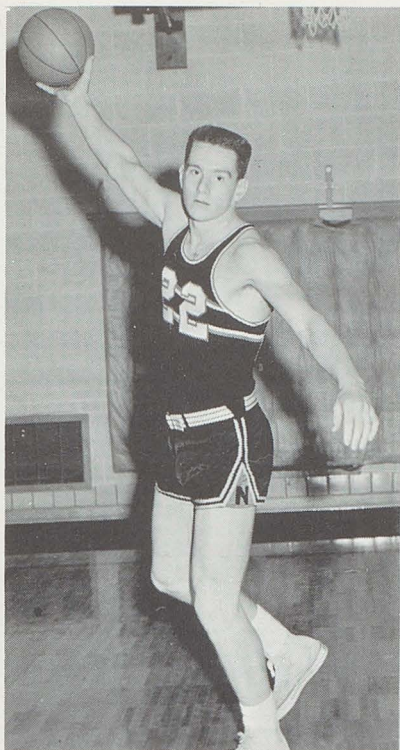

RESERVES

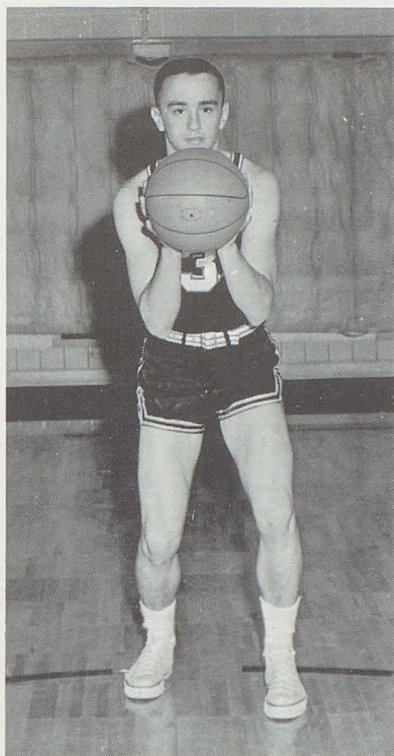

The reserve basketball team had a very successful year. The reserves lost only two of the eighteen games they played. Mr. Halpin deserves much credit for his outstanding work.

BASEBALL

The baseball team participates in the county tournaments. Baseball is not recognized at our school like the other sports, but it is an important part of school sports throughout the county.

FRESHMEN

The freshman basketball team has played many games this season. Their coach, Mr. Halpin, has spent much time with them. The freshman basketball team is an important part of the sports program because it helps prepare the boys for reserve and varsity competition.

The 1958 Prom, under the supervision of Mr. Eugene Phillips and Mr. Stephen Luther, was the first to be held in our school. The theme of the evening was "Hawaiian Holiday." A three-course dinner was served in the cafeteria, which was colorfully decorated.

Dancing followed in the auditorium, which had been transformed into a tropical paradise of palm trees, blue sky, and silver stars. Music was provided by the Pastels. Breakfast was served in the cafeteria by the parents of the juniors.

Congratulations—another born critic!

BORN in America—so he has freedom of speech. He's expressing it already—and he can go right on criticizing, discussing, debating for the rest of his life here. Nobody's ever going to tell *him* to shut up!

Imagine the difference, had he been born in a Communist country. He'd *never* be able to criticize *anything*. He couldn't sound off about taxes, government, job, prices, criticize public officials. Why not? Well, if he did he'd be shot.

We hope he becomes a good, honest, sincere critic. We hope he'll always stand right up and defend his rights. We hope he'll never be afraid to turn the spotlight on wrongs—so someone will take steps to right them. Because that's the American way, and it's an American right guaranteed by the Constitution. It's a *freedom*, and we're all *born* to it.

One thing we know: the rest of us aren't going to let anyone come in and rob him of this right, until he grows up and can

defend it for himself. We aren't going to trade our freedoms—any of them—for Iron Curtain conditions.

Will *you* stand up and defend your freedom of speech? If you do, nobody can ever take it away from you.
