*THE CHIEFTAIN*

# ALMA MATER

Northwest High our love will never end  
And your name we surely will defend,  
You have seen so many tears  
But you've lead us through the years,  
When our troubles block our every way  
We still proudly lift our heads and say  
Our Alma Mater Northwest High  
We'll love you till we die.

## "IF"

If you can keep your head when all about you  
Are losing theirs and blaming it on you;  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too:  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;  
If you can think—and not make thoughts your aim,  
If you can meet with Triumph and Disaster  
And treat those two impostors just the same:  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings  
And risk it on one turn of pitch and toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss:  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Of walk with Kings—nor lose the common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much:  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And—what is more—you'll be a Man, my son!

## America's top top secret

The United States Government has a lot of closely-guarded secrets—weapons, strategies, ways to fight communism. But of all of them, there's one that's more jealously guarded than all the rest. And *you're* the only one who knows what that secret is!

One of your rights as an American is the right to a secret ballot. And you alone know how you mark your ballot. No one sees it, no one can influence you. It's your secret.

In the Red-dominated countries, your vote—if you get one—is about as secret as a brass band playing in a greenhouse. You usually have only one candidate to vote for. A group of sharp-eyed officials checks your ballot to see that you voted the "right" way.

Some people, even in this country, think that that's the way elections should be run. Most Americans don't agree and it's up to every one of us to see that our ballots remain secret. If we let the secret ballot get away from us, we can say goodbye to all our American rights—freedom of speech, freedom of religion, freedom of press and all the others.

How can we preserve these freedoms? By speaking out strongly when we see them endangered. By using our secret ballot every election day to keep America free. Remember, they're *your* rights, so treat them *right*.

### DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- \*Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- \*Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- \*Right to know if your union officers are Communists
- \*Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- \*Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- \*Right to refuse to permit the "check-off" of union dues
- \*Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- \*Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- \*Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- \*Right not to be fired by union leaders
- \*\*Right to vote on company's best offer

\*These are rights you enjoy under the Taft-Hartley law.  
\*\*This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.
