Northwest Indians

Varsity Football!

The Indians had a tough season this year. They played a lot of difficult schools, but they tried their best all season. Not many schools can say that they played schools that went to the play-offs or were in the top ten. It takes a lot of dedication, hardwork and time to play football. From lifting, practice, and school work then playing on Friday nights. They all have talent and contribute to the team one way or another. As Chad Hill stated you have to "Play hard and play together." It does not matter if you are a player playing, or an injured player cheering them on from the sideline or a fan in the stands - you all are part of Northwest football. You can't win alone, it takes everyone. As coach Whiting says in prayer before the game "With God all things are possible."

3. Senior, Tristan Mullane, scrambles past defenders to gain extra yards.
4. Senior, Angelo Kolinoff, and Sophomore, Matthew Fennell, create a strong line to keep Jackson from moving the chains.

5. The offensive line is down and ready to protect their quarterback.
6. Freshman, Brian Hull, goes for extra yards during the Woodward game.
7. Offensive players, Seniors Kyle Brosch and Colton Hershberger and Junior Dale Hazzard, explode to make the tackle.

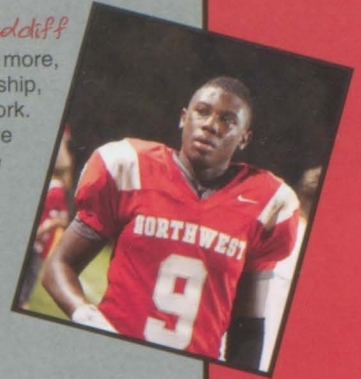

Senior, Hannah Pullen, Sophomores, Haley Pullen and Mackenzie Boecker, Junior, Courtney Ridenour, and Senior, Mayson Stroh are the football trainers. "You have to be dedicated and love what you do" says senior Mayson Stroh.

Our Northwest Indians in a huddle as they get ready to face the Orrville Red Riders in the 3rd game of the season. One of the team quotes is "Play Hard Play Together."

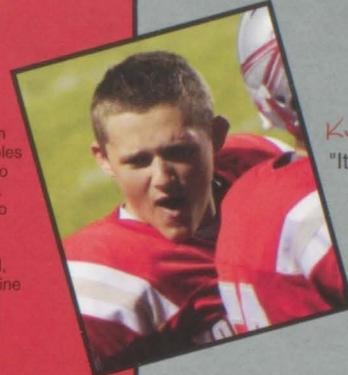

Jordan Roddick

"Football is much more, it's about friendship, and building teamwork. You have to have passion for this game to be successful!"

Kyle Brosch

"It's like brotherhood."

Jeffrey Hensel

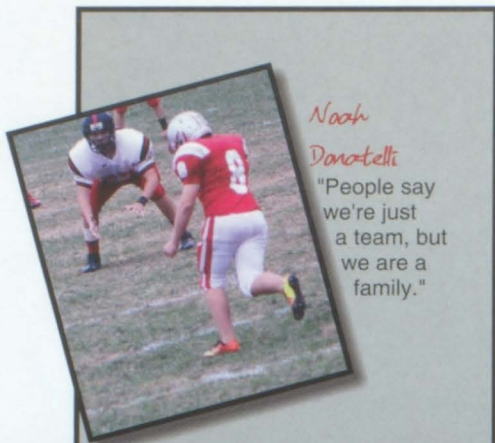

"Football is hard work and time consuming. It goes by fast! Got to enjoy every day!"

Fifth Row (L-R): Coach Jordan Pellikan, Coach Tyler Harris, Coach Zaid Abueteen, and Coach Mike Bechtel.

1. Freshmen, Riley Fulks and Christian Walker run down the field to tackle a New Philly player. Riley said that, "Playing against New Philly was a tough loss, but they were a good team."
2. The boys running through the banner pumped to play a great game and show the other team what they are made of.
3. The line getting in position for the play.
4. The freshman football team making funny faces during pictures.

Freshmen Football

As Coaches Abueteen and Bechtel would say, "Play on fire" and that's exactly what the boys did. They had their struggles while facing a tough schedule, but they did not let that affect their effort on the field. Their athleticism impressed the coaches so much that some were moved up to play J.V. The boys got together every Wednesday to have team dinner and discuss what they could've done better in the previous game. They acted like a big family with little fights here and there, but overall they love each other. The highlight of the season was when Tim Brosch scored a touchdown. Overall the freshman team had a great season with a record of 4-4.

Senior cheerleader, Alyssa Barbita, at the pep rally showing her true spirit!

Seniors Kaitlyn Thompson and Amanda Crites give "bear-hugs" on Duck Dynasty Day.

Ms. Pound and Ms. Levengood dress up as Snow White and the Evil Queen. All the 7 dwarfs (a.k.a. the softball team) mourn Snow White's poisonous sleep.

Through all the high school years you really grow up and become more responsible. Once you're a senior you'll realize all the hard work will pay off!

Lead and Proud

During the Christmas concert the Northwest Singers take the stage. Shown here (L-R Back row) Clay Freed, Tyler Ferreebee, Jeff Shimko (L-R Front Row) Justice Miller, Joe Cochran, and Austin Boser. After all of the rehearsals the group stole the show!

Study Hall Swag

During studyhall you can do one of two things; Sit down and get you homework done, or be high schoolers and mess around with your friends. In this picture you can definitely tell what this group freshman boys chose to do!

Artists In The Making

Ceramics is definitely a class to get down and dirty with! At least that is what juniors, Anthony Harbert and Erika Juersivich, found out! Anthony Harbert says, "Ceramics class is very relaxing and it passes the time by."

Gymnastics seniors, Madison Grogan, Alexandra Loretto, and Kelsey Kincaids. Sophomore, Alexis Ropchock says, "The seniors were all amazing gymnasts, and we all had lots of fun together."

Winter

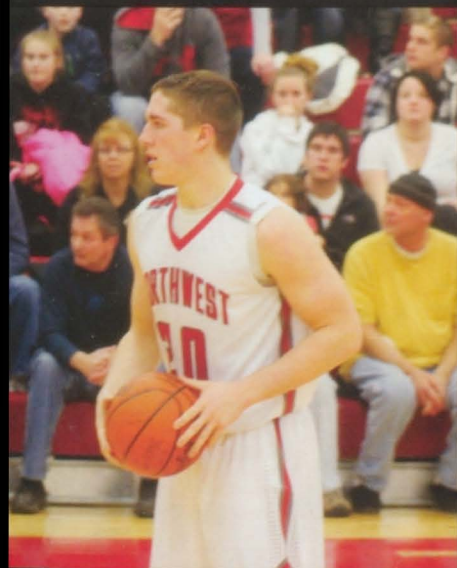

Team Spirit

During the pep rally these junior boys got rowdy! Mike Zervos says, "We all were getting pretty pumped. Alex decided it would be a good idea to pick me up during the pep rally, and the other guys helped him. While I was up my phone fell out of my pocket and cracked!"

Let's Get Fired Up

During a freshman boys home basketball game, cheerleader Caitlyn Ross pumps everybody up while the boys are in a timeout. Ross states, "This season was a good one, the friendships we gained will stick with us through the next three years for sure."

Make It Loud

Benjamin Stoneking and Mackenzie Schley toot away on their tubas during one of the winter pep rallies. While all of the students entered the Fieldhouse, they were welcomed by the band, playing the Alma-Mater.

Junior Varsity

The Junior Varsity boys had a great season. The boys had fun and enjoyed playing together. They will all remember when they played Central for the second time because they lost the first game to them, but they played them again and showed Central what the Northwest boys team was made of. They improved through the season by using different techniques. They loved playing teams that gave them a challenge. They overcame those challenges by supporting one each other. Their favorite play was one called "Beef" (Bounce Elbow Eyes Follow through). They loved playing in front of their supporters at home games. Some players had to learn to step up and take part of being part of the team when players got injured. Overall the boys are happy with the season and what they have done together as a team.

2. Ethan Zellers playing defense against Copley's player.
3. Coach Cooper and the boys talk about a new play.
4. Eric Frye shoots free throws after the opponent fouled him.

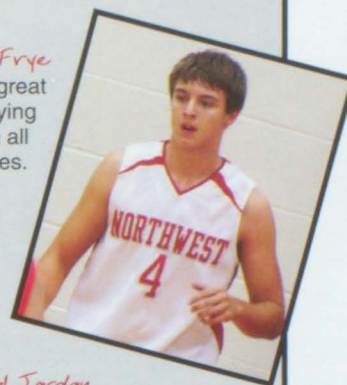

Freshmen

The Northwest Freshmen Boys Basketball team had lots of fun this season. The team learned a lot as the season went on. Chris Barbitta and Logan Waggoner said that, "We missed a couple opportunities but hope to improve in the future." The boys say they will always remember the St. Thomas game, they lost but they knew they had the potential to win the game. Seth Hippli's flamingo shot was the funniest moment in the season. As a team, they are most proud of Patrick Glaser. Chris Barbitta says, "Patrick was always happy no matter if we won or lost, or even if he played in the game or didn't." Patrick was just a positive person to be around. The one thing that got the team through the tough games was the dedication to play their best, and the pep talks from Mr. Cooper.

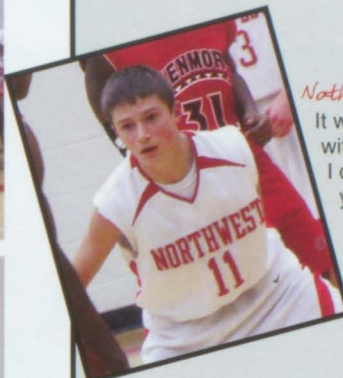

Eric Frye

It was a great season playing along with all of my teammates.

Nathaniel Jordan

It was a fun playing with the boys and I can't wait for next year.

Nasir Martin

Playing with an amazing team just made basketball season more fun.

Leandra Martin

"We play together,
we win together; We
lose together, We
stay together."

1. Guard Maddy Worden and center Leandra Martin, box out the Comets and look to rebound the ball and push it down the court. Captain Leandra Martin led the Lady Indians in rebounds this year and stated, "It takes more in a game than scoring, you have to be able to rebound, look down the court and get your players open. Jordan and I always had a special bond and I always knew where she was and that's how it should be with every player and their point guard."
2. Sophomore guard, Makenzie Boecker, works hard to get through Coventry's screens and denies the passing lane. Kenzie put a lot of hardwork in all season and in return was awarded Most Improved Player of the Year.
3. Jessica Boecker drives the ball down the center to help pull a win over Alliance on Senior Night. Jess was one of the three captains for this years team and excelled in working hard on defense and would often guard the best offensive players on the opposing team.

Shoot I'll

4. The Northwest Lady Indians Varsity team gets fired up before the starters are introduced onto the court. This year was a hard one for the Indians but they never gave up.
5. Sophomore guard, Sarah Butti, shoots the ball to add two points to the Lady Indians score against Canton South. It was Sarah's first season playing on varsity and she brought a lot of energy to the court and worked hard every day!

Front Row (L-R): Kayla Ley, Makenzie Boecker, Jessica Boecker, Madison Worden, and Haley Macko.

Back Row (L-R): Coach Eric Stookey, Kirsten Mitchen, Amanda Crites, Jordan Smith, Leandra Martin, Taylor Heard, Leah Luhring, Sarah Butti, and Head Coach Donnie Schenz

Point guard Jordan Smith, steals the ball from Coventry and looks to get a fast break down the court for a quick lay up. Jordan was the teams go to offensive player and was talented at penetrating the middle for a quick two points. "It is all about seeing quick opportunities, being in the right place, and working hard. One person I always could turn to on the court was Leandra, she pushed me to work hard every game, and would always clear the lane for me to get an open drive."

6. Junior guard, Kayla Ley, runs out as her name gets announced as one of the five Varsity starters
7. Senior captain, Amanda Crites, runs neck and neck with Coventry's point guard and looks to get a quick steal. Amanda's quick feet helped her led the team in steals and points this year and receiving Honorable Mention and the Lady Indians Award for the second year in a row.
8. Sophomore post, Sarah Butti, makes a quick move around Coventry's point guard to get a quick basket and one.
9. Junior guard, Kayla Ley, gets in her defensive stance as the Indians zone defense makes it hard for the Norton Panthers to get into the paint and score.

It is easy for players and coaches to give up and quit when things start to get rough. But, this team stuck together even when things seemed to be falling apart all around them. Losing is never fun, especially when it was supposed to be the best year for the Lady Indians, but the girls would still show up to practice everyday to work hard regardless of their record. One thing that made the season stressful wasn't the fact that they were losing because their opponents were better than them, but that they were losing due to mental errors and not finishing around the rim. The Lady Indians were often complemented by other coaches for being a "tough team" and "hard workers". They stepped it up when tournaments came and beat a team who earlier in the season they lost to by over twenty. This was the first tournament win in almost four years, but sadly the road ended when they lost by six points in the Sectional Championship game.

10. Senior center, LeAndra Martin, boxes out against the Coventry Comets and reaches to get the rebound.
11. The team claps it up before the game starts to get fired and pumped up. "I'm fired up, you're fired up, get fired up!"
12. Sophomores, Leah Luhning, Maddy Worden, and Junior, Kayla Ley, are all smiles before the Norton game. These girls all worked hard over the summer to get better and claim their spots on Varsity and will have important roles on next years team.

Jessica Boecker

"I had the best year that I could ask for with the best teammates. Playing basketball over the years has been a great experience and I will miss it."

Kirsten Mitchen

"It was a tough season but we all stuck together. I will miss playing but look forward to the the future."

Madison Worden

"I'm going to miss playing with all the seniors but I'm so excited to see what's in store for us next year!"

JV Lady Indians

The Northwest JV Lady Indians may not have had the best record, but they put up a hard fight this season. They continued to play with all smiles, no matter how rough the game got. The JV Lady Indians would come together as one, and play with more heart than ever. The Lady Indians won the first round for the Mayors Cup, they lost the second game, but put in great effort. It doesn't matter what kind of record a team ends up with, all that matters is our Northwest Lady Indians always give it their all, and never give up. That is what truly makes a season successful.

Sophomore, Alyssa Strabley, boxes out for the rebound.

Sophomore, Haley Macko, goes up for a two pointer.

Sophomore, Sarah Butti, gets the rebound, and dribbles up the court.

Northwest Varsity Softball

The Varsity season turned out to be a memorable one. Even though we played tougher teams it taught us a lot about how to come together and talk. We all overcame some type of struggle this year and that's hard to find on other teams. We couldn't have achieved as much as we did without the help of Coach Pound and Coach Levengood, they knew we had the potential to achieve anything we set our minds too. It went by too fast for the seven seniors, Ashley Sees, Caitlyn Hamrick, Anna Sharier, Hannah Gordon, Mayson Stroh, Abby Siegenthaler, and Madelaine Magazzeni who all finish up their last season together with a lot of laughs and unforgettable memories. "This year was a great experience, I'll miss everyone. Even though we didn't go as far as we wanted too, the year was full of memories."

-Madelaine Magazzeni

Regen Morgan

"The season turned out to be great, even though we went against harder teams we pulled through it and kept our heads up. Everyone became close this year, and that's really hard to find on other teams."

Ashley Sees

"I couldn't have asked for a better season, we always picked each other up when we needed it. I wish everyone luck next year!"

Anna Sharier

"I think we all overcame our struggles this year and I couldn't be any more proud of that. I will miss everyone next year, including my seniors!"
