FOREWORD

We are presenting to you--the students of Northwest High--a book, not just any book but one that is very special. We must admit it will never be considered a masterpiece in American Literature, but literary achievement isn't what makes this book unique. What does make it special is the fact that it was created especially for you. This book contains memories, memories of what you are experiencing now. Perhaps it does not seem like such a special book, but wait--wait twenty years and see.

It is with great pride that we, the graduating seniors, present to you the 1967 Chieftain.

A GROWING NORTHWEST

CAMURI

One of the new features to the school was the library. The new library, formerly the bandroom, is much larger and has a lot more material and space to work with. Modern upto-date furniture has been added for the benefit of the students plus an audio-visual section, individual study rooms, faculty room, and office.

Besides a new and larger bandroom, the new addition consists of four additional classrooms, (such as the one pictured above), restroom facilities, and administrative offices.

ALMA MATER

Northwest High, our love will never end, And your name we surely will defend. You have seen so many tears, But you've led us through the years. When our troubles block our every way, We will proudly lift our heads and say "Our Alma Mater Northwest High We'll love you till we die."

IN MEMORIAM

In r. the class of 1964 dedicate this memorial to the memory of those Northwest Students who have given their lives so that we may live in freedom.

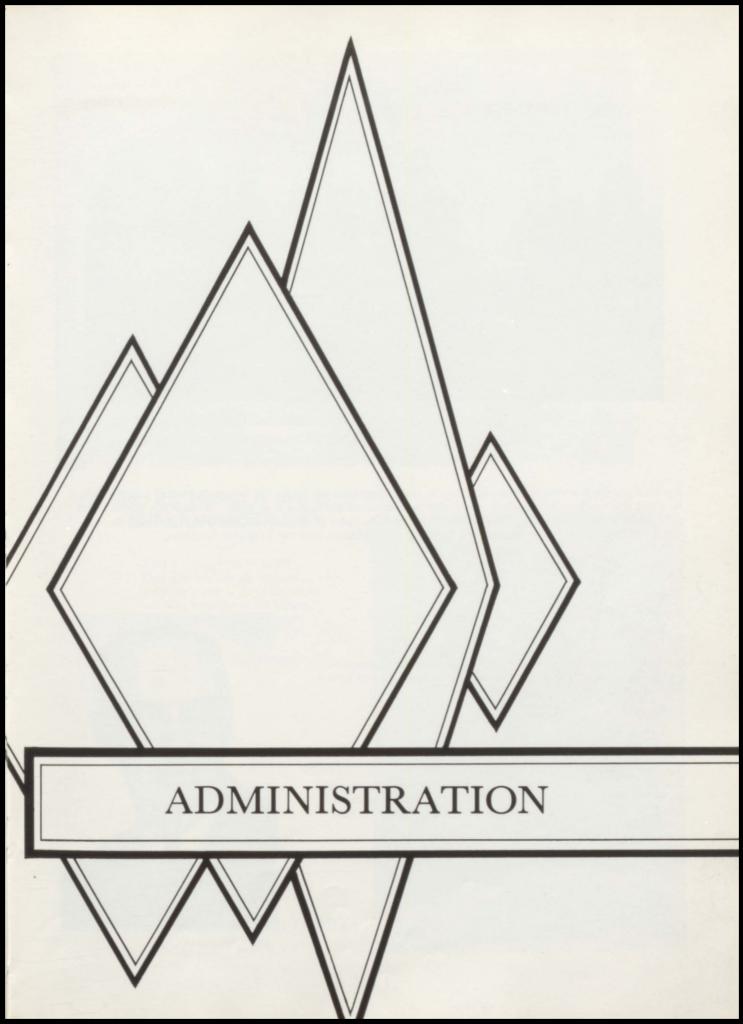

Cpl Jeffrey P. Vaughn July 15, 1946 - September 25, 1966 USMC Class of 1964

Cpl. William L. Douglas November 20, 1946 - July 16, 1966 USMC Class of 1964

Mr. and Mrs. Raymond Vaughn and Julion accept the Purple Heart Award from First Sergeant Hofmann.

Don Swigart, President; Richard E. Nace, Superintendent of Schools; John D. Morgan, Martin S. Smilek, Fritz Speicher, Clerk; Duane Bricker, Stanley Shondel.

A school system is a very intricate machine to run. Sometimes we forget just how complicated and difficult it is; yet if this machine breaks down, the future generations of our nation is at stake. Without our school board, NHS could not function. The Board, although not seen by many of our students, are always planning for expanded curriculum and personnel, new buildings and additions, and more feasible facilities.

Our board members meet on the third Monday of every month-giving many hours of their time so that our community will have a more efficient school system.

Don McMillan has been a member of our school board for 15 years. He was president of the board when Northwest High was built; and he has truly been a dedicated citizen of his community and has helped it to grow.

MR. RICHARD E. NACE SUPERINTENDENT

O for a living man to lead! That will not babble when we bleed; O for the silent doer of the deed One that is happy in his height, And on that in a nations night Hath solitary certitude of light.

VARSITY CHEERLEADERS

Hey--come back here with that ball!

This year's varsity cheerleaders did a tremendous job. They stuck behind our teams one hundred percent. During the summer they attended several cheerleading clinics and came back with some very good cheers and clever ideas for pep rallies. Without our cheerleaders, our school spirit would not have been half of what is it.

Our band has achieved superior ratings for 27 consecutive years under the competent direction and supervision of our band director, Mr. Emil W. Puffenberger.

This past year he was the recipient of the "MAC" award, which is given to the most outstanding band director in the United States.

We, the students of NHS, would like to congratulate him on his newly received honor.

TEENAGE BOARD

A Teenage Board is selected by our Principal, Mr. Stinson, at the request of Mr. Frank Laster of The Canton Repository for the purpose of choosing a girl and a boy on the basis of grades, character, leadership, et cetera, each month to represent our school in the Teenage Boy or Girl of the Month contest. Our students compete with students from 21 other schools in Stark County. The students chosen receive a certificate and is eligible to compete for Teenage Boy or Girl of the Year. This year's Teenage Board consists of Mark Angst, Sandy Boyle, Paula Ellis, and Mark Aman.

DEBATE

The NHS debate team participates in debates in Stark, Summit, and Wayne counties. The topic chosen this year is on whether or not we should give military aid to foreign countries. This year's captain is Charlie Wagner. All the work they do is done outside of school on their own time. Many hours of research are spent in the library trying to develop enough facts to bring out about this topic.

Would you believe Mr. Martin, Jody Hanic, Tom Ikins, Charlie Wagner, and Dave Stuaffer at debate practice ???

THE JUNIOR CLASS

menu

Le Palais De Versailles, presented by Junior Class of 1966, was held in the high school gym under dim lights and a romantic setting. It was an era of Victorial elagancy. Under the direction of Mr. Martin, who we owe great thanks, the Prom was a sight to behold.

We, as the Junior Class, had a time that we will never forget in preparing this Prom for the Senior class. The most fun was decorating all week long. The long hours each night we spent were memorable ones that can't be forgotten by anyone. That last evening of rushing madness. We do believe that we had more fun decorating than the actual dance itself. The gym was decorated in red, white, and gold with an antique setting. Pictures were hand-painted by members of the class. Everyone had a part in decorating. The setting was designed and supervised by Greg Moyer. The Prom, held on May 28th, was a night to behold.

An idea can go through anything

Here's a close-up of our new \$5,000,000 facility called Timken Research.

We expect great ideas to come out of this building.

It's located outside Canton, Ohio, about ten miles from our headquarters and main plant.

Timken Research is one of the largest research and development centers in the bearing industry. Here we match up tough problems and inquisitive people. Problems we'll have forever. But how about people? Who'll be pushing pencils through tomorrow? Maybe you . . . if you stay in school, if you stick to your studies. Career opportunities in research, in engineering, in whatever, are open to those who work. And closed to those who won't.

Remember that unemployment among dropouts is twice that of the general population. And dropouts stay unemployed longer.

Stay in school. Give yourself a chance to get your ideas through. The Timken Roller Bearing Company, Canton, Ohio.
