#### Foreword

The Chieftain, as is the case with student annuals generally, honors particularly the members of the graduating class. We have chosen to call the end of the school year with its round of activities, a time of commencement. At the time, however, for most of the participants, the fact that it marks the end of several very pleasant years of association with classmates and friends will loom larger in their minds. As the post-graduation year lengthens, a rosy glow of remembrance will settle over these school days while full attention rests on the ever present duty of getting on with the tasks at hand. All the while, we at Northwest will continue to think of you and to wish you well in all your undertakings, and we shall trust that your Alma Mater and your associates of high school days will always hold a place in your affections.

-Cindy Ikins

THE ANNUAL STAFF

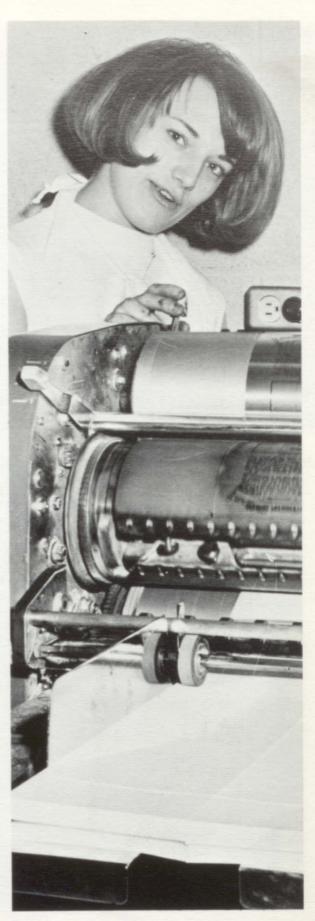

Northwest's Life Lies in Its Students

#### William S. Stinson

"The only reward of virtue is virtue;
The only way to have a friend is to be one."
Ralph Waldo Emerson

Mr. William S. Stinson was born and raised in Wayne County, North Lawrence, Ohio. He went to Kent University and then taught four years in the Marshallville Elementary School. In 1929 he received his B.S. in Education and that fall came to teach at Clinton High School. He taught only one year there and was promoted to principal in 1930. He became Executive Head of West Franklin High School, and in 1954, Elementary principal. It was not until 1958 that Mr. Stinson became principal of Northwest High School.

It was during this period, as principal of Northwest High, from 1958 to 1968, that Mr. Stinson made so many friends. His policy toward the students encouraged this friendliness. He stood as an equal and was always open to suggestions. It was this policy, and his attitude of concern toward the individual student, that earned him the respect and friendship of his students.

Because of this concern and friendship towards his students, we, the members of the 1969 Chieftain Staff, and the entire student body wish to dedicate this 1969 edition of the Chieftain to Mr. William S. Stinson, pastprincipal of our fine high school, Northwest.

Chiefs 10

### Bev Begert Secretary

Through your assistance to Mr. Juersivich, you have helped to meet the challenge of balancing the budget.

We wish to thank you for the services you have rendered.

#### Board of Education

Many people, especially students, do not know who the members of our Board of Education are. These capable, hard-working men are the true heart of our school. They are the men who keep our school running smoothly. Although many problems arise throughout the year, they are capably and wisely handled by the Board. The members of the Board meet on the third Monday of every month - giving many hours of their time so that our community will have a more efficient school system.

Our wish for these men is for continued success, and we extend our sincere appreciation to each and every member of the Northwest Board of Education.

Members of the Board are: sitting left to right: Donald Swigart; John Juersivich, Clerk-Treasurer; Russell B. Bethel, Superintendent of Schools; and Stanley Shondel. Standing left to right: John Morgan; Dr. Martin Smilek; and Dr. Duane Bricker.

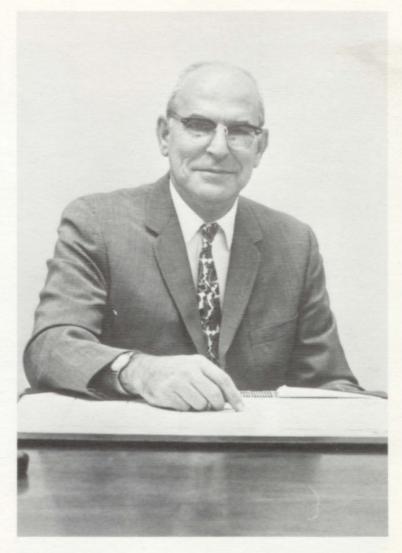

#### John Juersivich Clerk-Treasurer

Mr. Juersivich has been the school's Clerk-Treasurer for the last two years. He has the very important duty of looking after the financial books of the school - keeping them up to date and correct. Mr. Juersivich also takes care of such things as the payroll, buses, and custodial and cafeteria management. He must send reports about these various jobs to the State.

We wish to congratulate Mr. Juersivich on the fine and important work he is doing for our school. May all his years here be successful.

### Russell B. Bethel Superintendent

The Annual Staff wishes to congratulate Mr. Bethel on the outstanding job he has done as Superintendent of the Northwest School District, these past two years. He has done much to better student-faculty relations by confering with the students on several different matters. Mr. Bethel's door has always been open to student problems. We wish to thank Mr. Bethel for all the time, guidance, and inspiration that he has given us, and to wish him continued success in the future.

### Ione Grover Secretary

Many students do not realize the hard work that is involved with the day to day tasks you carry on. The Annual Staff wishes to congratulate you on the fine job you have done. We wish you continued success.

### Edward J. Howley Principal

This year at Northwest we have a new principal, Mr. Howley. He has shown his interest in the school and his willingness to help the students in securing a good education.

Mr. Howley took the position of high school principal this year. Before coming to the high school, he served as the Intermediate school principal for three years. He has done a fine job for our school and we wish him continued success.

### Rose Rhoades Secretary

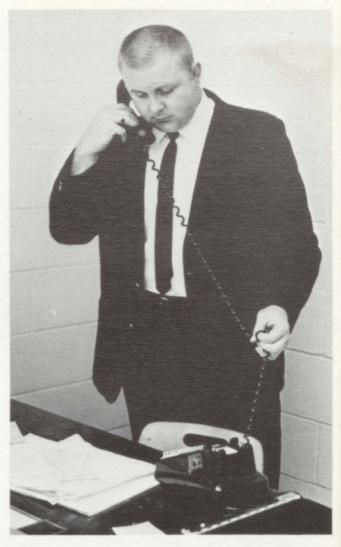

We wish to thank you, Mrs. Rhoades, for your help and co-operation during the past two years at Northwest. You have indeed helped to make our years here a huge success. Best of luck in your future years at Northwest.

### Alpha W. Mayfield Asst. Principal

Although Mr. Mayfield is a very busy man, he finds time to co-ordinate all tests that are important to our future. He always has his door open to those who have a problem. He helps direct us toward our future vocations.

Mr. Mayfield has been working in our school system for seven years. He taught at Clinton grade school before coming to the high school four years ago. He served as physical education teacher and coached the wrestling team. He advanced to the position of Assistant Principal last year and has done a fine job. We greatly appreciate all the help he has given us through his guidance and personal interest in the student.

"O.K. girls, who took my candy?"

### Student Council – Link Between Administration and Student Body

A good relationship between the students and administration is essential to a well functioning school. The Student Council is the students' voice in the school's matters.

Northwest's Council is made up of four members from each of the lower three grades, and five members of the senior class. They meet every Monday on alternating class periods. Mr. Mayfield is their advisor.

Officers are selected by the members.

The vice president is always a junior, and is automatically president his senior year. This year's officers are: Betsy Reighart, president; Pat Badida, vice president; Bev Shondel, secretary; and Max Healey, treasurer.

This year, the Student Council has some conscientous and hard working members. They have sponsored the Christmas party, held a coat-check at all home basketball games, and bought National Honor Society pins.

Betsy Reighart has been a council member for three years, and has done a fine job as president her senior year. She has worked hard, and is very much involved with most school functions. She is indeed, highly respected by all who know her. She portrays the three key words of Student Council - Leadership, Citizenship, and Sportsmanship.

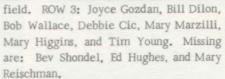

"Here, Miss Cic, go get me my rule book."

Mr. Mayfield.

ROW 1: Mary Bordenkircher, Jean Reichsman, Linda Ross, Chris Healey, Mary Koons, and Pam Fox. ROW 2: Max Healey, Pat Badida, Terry Aiello, Betsy Reighart, Alma Finefrock, and Mr. May-

Each year, the Student Council, with the cooperation of the administration and faculty, sponsors a Christmas party for the student body. Shown above is Mr. Pellegrene getting into the act as he dances with Roxanne Sense. To the right, Brenda Godbey and Joyce Sibila seem to have something very interesting to tell Mr. Blachly.

#### Our Foreign Exchange Student

RE FERNANDO ENRIQUE MENDOZA MARQUEZ

This year, for the first time in its history, Northwest High School received a foreign exchange student. This student was Fernando Enrique Mendoza Marquez, a seventeen year old boy from Mexico.

Fernando was brought here through the sponsorship of the Canal Fulton Rotary. During his stay here he lived in the homes of several of the Rotary members.

Fernando's favorite sport is soccer which he has taught to many of his friends here in the United States. He likes all of the school sports and was an avid follower of our teams this year. Fernando has attended

many of the school social functions this year and has been kept quite busy by them and his speaking engagements.

Fernando's friendly smile and readiness to talk has made him a popular figure around school with many friends.

It's been a very pleasing and educational experience for the students this year to have an exchange student. We hope that next year Northwest will welcome another student from a foreign country.

# Miss Northwest Betsy Reighart "Betsy"

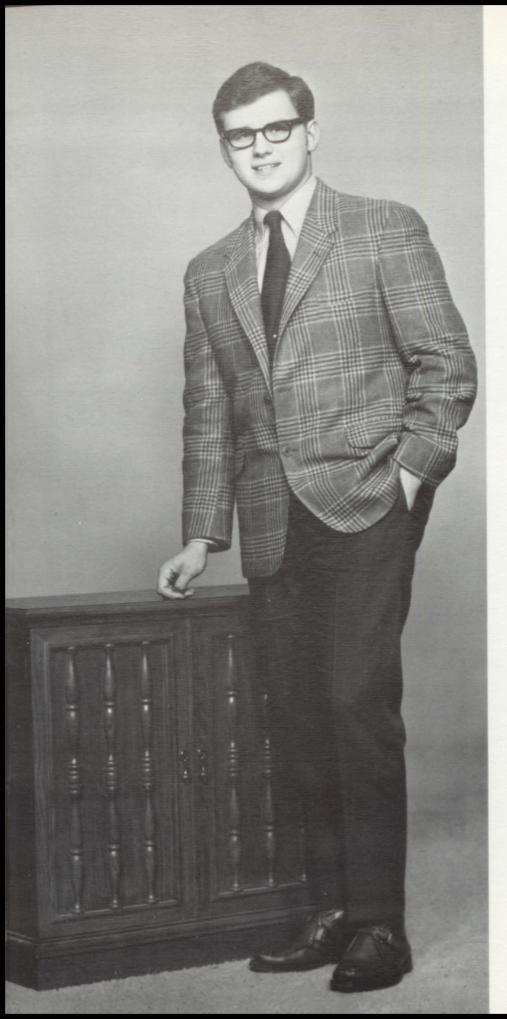

This year Betsy was nominated and chosen by members of the senior class as Miss Northwest. According to the title, Miss Northwest represents an outstanding senior girl with ability and leadership. From all aspects Betsy fits this category.

Betsy has been a distinguished band member for four years, serving as treasurer her senior year.

This year has been one of her hardest so far. Not in the way of studying, but Betsy has been working very hard as our Student Council President. There have been many behind the scene conferences with her and our administrators in order to bring the students and administration closer together.

Along with her duties, Betsy has proven herself a capable girl. Her junior year she was selected as a member of the National Honor Society and this year she was chosen as an Outstanding Teenager of America.

# Mr. Northwest Albert Knapp "Buzzy"

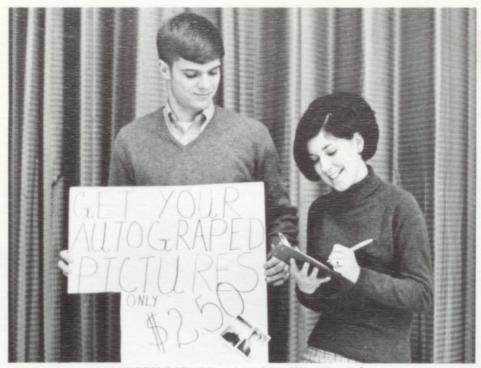

Each year the graduating senior class chooses one senior boy to bear the title of Mr. Northwest. This boy must personify the qualities of leadership, scholarship, and personality.

This year the boy who fitted these requirements the best, in the eyes of his class members, was Buzzy Knapp.

Buzzy has been very active in both the social and scholastic aspects of school life. During his four years of high school, Buzzy has held the office of vice-president for his class. It has been through this office that Buzzy has come to know the administration and many of his friends.

In 1969, Buzzy's senior year, he was tapped for the National Honor Society, the highest honor a high school student can receive.

Buzzy's friendly, outgoing personality has earned him respect, admiration, and many friends. For this, and his other traits, the title of Mr. Northwest is well deserved by Buzzy.

ASST. COACH: Del Halpin

HEAD COACH: Herb Blachley

The 1968 edition of the Northwest Indians coaching staff sported three new coaches. Herb Blachley came to us from Brunswick this year to be our head coach. Jim Rubin and Tony Pellegrene were on their first assignment after graduation from college. Del Halpin returned from the previous years to act as assistant coach. These four coaches worked hard to establish the foundation for future Northwest football power-houses. They will have eight lettermen back for next year's campaign.

Coach Rubin and Pellegrene instilled the winning idea in the minds of the seventh and eighth grade players by directing them to an almost perfect season, they lost only one game.

Tom Juersivich, Lester Green, Nick Sich, Tom James, Dan Nettle, and Mike Fahrney all won in the district and went on to the regional wrestling tourney before bowing out to stiff Class "AA" competition.

The Indians lose four seniors this year but have a fine crop of young boys to form a nucleus for another winning team next year. They will have eight lettermen back, including Dan Nettle and Mike Fahrney who won in the 1969 district tourney.

ROW 1: Manager John Lawrence and Coach Tony Pellegrene. ROW 2: Marty Fye, Ted Geiger, Bob Wallace, Mark Fowler, David Rhoades, Dean Crawford, Jim Echols,

Roger Walsh, Mike Smith, Chris Healey, and Mark Fahrney.

The 1968-69 edition of the freshman basketball team finished their season with nine wins and seven losses. This proved to be a fine season for this group of boys who won two and lost twelve as eighth graders. The big difference being the attitude of the boys and their desire to win. They showed fine improvement over last year.

Tournament play was at Taft Junior High School for the 5th annual Stark County 9th grade tournament. The Frosh cagers drew Sandy Valley in their tournament opener and went on to beat them 52-50. They were led by Mark Fowler with 21 points (individual high for the season) and 13 rebounds.

Next, the cagers faced a tough Canton South frosh team who were first seeded in tournament with their impressive 11-2 record.

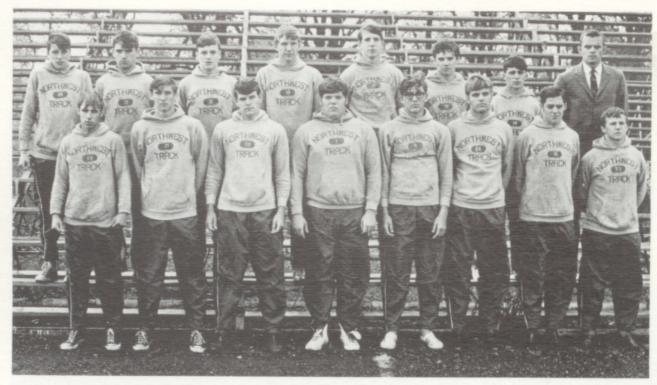

The Northwest cagers, looking for an upset, surprised the Wildcats by jumping to a 6-2 lead early in the first quarter, only to see this diminish due to South's height advantage over the much smaller Indians, as they were soundly defeated 52-27. South went on to win the tournament and finish 14-2. The fans from Northwest had nothing to be ashamed of because the Indians fought hard, hustled, and never gave up in

the game.

The leading scorer and rebounder for the Frosh cagers, who scored 149 points and collected 203 caroms, was Dean Crawford at 6'1". This boy could be a threat to the varsity members next year and could be pushing for a starting position.

Mark Fowler, another bright prospect for the varsity team, scored 131 points, and collected 107 rebounds. Mark Fahrney led the team in assists and steals with 32 and 31 respectively. Chris Healey added 71 points and 27 each of steals and assists. Jim Echols added 98 points and 89 rebounds. Bob Wallace and Mike Smith proved to be numbers six and seven and could be called on during the game without a moment's hesitation. They combined for 77 points and 107 rebounds. Others who contributed to this fine team were Ted Geiger, Dave Rhoades, Roger Walsh, and Marty Fye.

Coach Tony Pellegrene feels that he had a fine group of young men to work with. He said that the team played well together and worked hard at winning their games. He sees in this group fine competitive spirit and desire, which could spell winning basketball in the future years at Northwest.

#### 1969 Varsity Track Team

Tim Fahrney is the Indians leading scorer for NHS track team this year. Fahrney became the area's first four-event winner of the season in a meet against Sandy Valley. He led the Indians to victory by winning three sprint events and the long jump. Fahrney's time in the 100 was 10.7, in 220 it was 25.1, and the 440 time was 59.0. In the long jump, Fahrney leaped 17.7. Against Central Christian, Fahrney won all three sprints. Tom Juersivich became a double winner by taking a first in the shot put and the low hurdles.

Northwest Golfers Come Through

On Thursday, May 22, the Northwest golf team defeated Lake High in a two hole playoff for the Senate League title. This playoff was caused by a mid-season tie with Lake at Spring Hills golf course.

Lake High's number two man couldn't make it, so it was decided to play the one, three, and four men from both teams in the playoff.

The first hole of the playoff ended in a deadlock. Mike Everhart shot a six and Max Healey and Jerry Reynolds both shot fives. Jerry was the last man to put on the first green. We were down by one stroke. Jerry came through with a ten foot putt to put the match even.

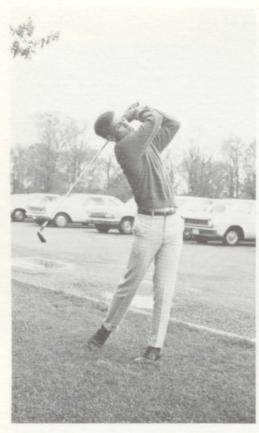

The second hole started off with Jerry Reynolds in trouble after his drive. Max and Mike both hit good drives. Max sparkled on the second hole. After a fine drive he dropped his second shot on the green and went on to make a birdie putt. In the meantime, Mike took three strokes to make the green, while Jerry took four. With the match even, Max took command of the green. He sank a breaking thirty-five foot putt. This putt put us ahead by two strokes. Mike Everhart, the last to putt on the green, made a three foot putt to win the match by a stroke.

This match made Northwest 7-1 in the league, followed by Tuslaw with a 6-2 record. This season was the finest for the golf team. Jerry Reynolds holds the school record with a four under par 31. Max Healey recorded the first hole-in-one.

It was a very fine season for the golfers. Mr. Luther deserves much credit. He helped the golfers in many ways, mechanically, morally and with extra privileges for the team.

This is the moment for us all to remember.

Homecoming Queen and Court.

Kathy Shondel and Rick Hessedence seem to enjoy the sight and sounds of the Homecoming dance.

Mary Koons and Pam Fox dance to the sound of Heaven's Men.

The natural enthusiasm of a Homecoming weekend was enhanced this year by the high spirits and pride motivated by the student body and football team.

The pre-game festivities began with the band coming on the field and forming the traditional band formation for the queen and her court to be escorted by the football team.

The cool fall evening was an excellent night for Miss Mary Jane Marzilli to be crowned by football Tri-captain Tom Juersivich.

The court was then escorted off the field by the tune of "Ain't She Sweet."

The game was an exciting one until the end, when we looked at the scoreboard and saw the 35-27 shining across the field in favor of East Canton.

The following night Miss Marzilli reigned over the dance held in her honor.

The Homecoming of 1968 may have meant various things to various people; but one thing is certain, the first third of our 1968-69 season had come to an end.

#### 1969 Prom "Camelot"

The 1969 Junior-Senior Prom was held in the high school gymnasium on Saturday, May 10. Under the supervision of Mr. Martin, the junior class presented "Camelot."

Visitors to King Arthur's enchanted forest entered through the main hallway where shields of all the famous knights were on display. It seemed that all the knights were in from their quests just to be at the prom.

On entering the gym, people were amazed by the beautiful castle built in the enchanted forest. There was the glamour of the Medieval Ages with the brightly colored flags and beautiful castle.

The merriment of the age could also be found. All guests of Camelot danced to and enjoyed the entertainment provided by the Carrolton High School Band and the "Damnation of Adam Blessing."

The occassion ended quietly with many tired couples leaving the beautiful realms of Camelot.

Nancy Cottle and John Cullen seem to be enjoying themselves.

Good bands are hard to come by, but the Carrolton High School Band was one of the best to ever come to N.H.S.

Could it be that Nick Sich and Bev Shonk are talking about the time they had at last year's prom?

Punch is good as long as you drink it with someone you like - Jackie Place and Larry Franklin.

Juniors found it fun to decorate for the prom too! Here's Randy Albright, John Testerman, and Larry Gindlesberger hanging crepe paper.

Sharon Fellmeth has a look of surprise when she finds out that Vernon Yoho still needs to be fed by Cindy Ikins.

And the band played on ...

The scene into the gym was truly beautiful.

#### 1968 Prom "Moonlight and Roses"

"Moonlight and Roses" was the theme chosen for the 1968 Junior-Senior prom. A mural of a romantic rose garden was painted on the wall. Roses were placed on each table, and the moon shone brightly from the twinkling sky.

#### Graduation 1969

Dr. E. G. Drage, Superintendent of Stark County Schools, gave the commencement address entitled, "Highways of Adventure."

The presidents and secretaries of the senior and junior classes performed the usual "Cap and Gown" Ceremony. Chuck Kull, president and Betty Seifert, secretary, represented the graduating class in turning over the seniority and responsibility of the senior class to junior class representatives, Roger Morr, president, and Becky Smith, secretary.

#### 106 Received Diplomas

One hundred six young ladies and gentlemen made up the graduating class of 1969. Three outstanding seniors shared the valedictorian post. They were Susan Dannemiller, Brenda Klein, and Rick Groetzinger. Brenda spoke on her topic of "Enthusiasm for Life." Sue entitled her talk "Foreward." Rick gave his talk on "Listen, Just Listen, Then Think." The three talks were both interesting and well-given.

Susan and Brenda have been very active members of their class during their four years at N.H.S. Rick moved to Ohio and Northwest during the summer of 1968. The trio truly deserved their titles of valedictorians.

The joy of graduation is just too much for some of the graduating girls!

#### Baccalaureate and Commencement Exercises Combined

The Rev. William R. Dillon, pastor of the Clinton Church of the Nazarene, delivered the invocation and benediction, and gave the baccalaureate sermon entitled, "What Is Your Life?"

Before commencement exercises began, the high school band presented a half-hour concert. During the program, the chorus sang "Climb Every Mountain," which was indeed an appropriate song for the occasion. It brought tears to the eyes of many people present at the services.

No words can ever express the feelings and many thoughts of the crowd. It was a day that will never be forgotten by the class of 1969.

Junior class representatives, Roger Morr and Becky Smith led the graduating class.

The temperature rose to a high of 110° on the stage as Dr. Martin Smilek, president of the Northwest Local Board of Education, presented the graduates with their diplomas.

It was planned to have the ceremonies in the stadium, but a threat of rain took the occasion into the gymnasium. Even though a cool, hard rain fell, the evening was hot and muggy, and very uncomfortable.

Senior class president, Chuck Kull receives his diploma from Dr. Martin Smilek, Board of Education president.

The end of graduation ceremonies mark the beginning of the future for Jim Smith.

Everyone's attention is turned towards Dr. Drage as he gives his commencement address.

The band has gone to district contest for 29 years and has come home with a I rating each time, making the band eligible for state competition. The band has done equally well at state contest. For 29 consecutive years the band has achieved a I rating. We think they have set quite a record.

During the year the band gave three concerts - one in December, February, and May. These concerts were well attended by those of the community as well as those in surrounding areas.

This year, in the absence of Mr. Puffenberger, Mr. Wonnacott took over the marching band. This was no small task, but Mr. Wonnacott did a fine job. He put in many hours of his time and exerted a great amount of energy so that we could have a band that would live up to Northwest tradition.

#### Senior Members

Through our years in band, we have gained much more than an ability to play music. Music has taught us responsibility and discipline. In music we must think for ourselves, using the knowledge we have acquired over the years. We have learned to play music, not only for the sake of playing, but to turn that music into a work of art.

We, the senior members of the band, are grateful for these rewarding experiences, as well as for the many wonderful memories we share of the Northwest High School Band.

Some of the members of the chorus also participated in the state solo and ensemble contest in the vocal categories.

This organization is very worthwhile for students interested in singing and developing an appreciation of music.

#### Teenage Board Nominates Teen of Month

The Teenage Board is chosen by the school officials for the purpose of nominating seniors for the Canton Repository's Teenager of the Month. Nominees are chosen on the basis of scholastic achievement, participation in extracurricular activities, service to the community, and recommendations of teachers, administrators, and people of the community. A representative from Northwest and twenty other schools of Stark County meet once a month to choose one boy and one girl from all the nominations.

#### National Honor Society

The National Honor Society is more than just an organization of students with outstanding scholastic ability. Candidates are evaluated in three other fields, which are character, leadership, and

service. Under character, consideration of others, courtesy, industriousness, emotional stability, self-control, co-operation, and honesty count. For leadership, poise, self-confidence, realibility, responsibility, originality, initiative, tact, fairness, good judgement, and effective speech are important. In the area of service one's participation in clubs, athletics, and community projects is evaluated. The faculty votes on the candidates and rates them by points in each category. Each spring the members from the previous year tap seniors and juniors into their organization.

The club's officers are as follows: President, Sandy Boyle; Secretary, Brenda Klein; Treasurer, Susan Dannemiller. Advisors are Miss Mary Fletcher and Mrs. Alma Reppart.

#### Y-Teens Is School's Oldest Club

Established in 1934 as a junior organization of the YWCA, this club's purpose is to create, maintain, and extend high standards of Christian character throughout the school and community. Various projects include: daily morning devotions, assembling and delivering shut-in boxes at Christmas, visiting rest homes, and sending representatives on the United Nations tour in the fall. Club members also collected for the Heart Fund and UNICEF around the school and community.

The value of this service club is greatly appreciated by all who have witnessed the worthwhile and enjoyable functions of the members. The Y-Teens has become a tradition at Northwest High ... a respected and cherished tradition.

#### Latin Club Affiliated With JCL

The Junior Classical League's purpose is to gain a more thorough knowledge of Roman life, history, and literature; to gain a thorough understanding of the practical and cultural side of Latin; to interest other students in the classical languages.

One of NHS's largest clubs with 116 members, the Latin Club is affiliated with both the state and national JCL. They have regularly attended the state conventions in March, and 7 national conventions in 6 different states.

A major event of the club is Latin week in the spring, when slaves are sold and a banquet is held - complete with decorations, authentic Roman costumes, and lots of food. This event has an attendance of about 100.

### Smoke Signals' Staff Keeps NHS Informed

The students on the newspaper staff work together to bring the student body and administration the present, past, and future happenings of Northwest High. The paper consists of information regarding the school, the students, future occurances, and community events.

This is the fifth year for the Smoke Signals at NHS. It is on sale every three weeks during the lunch periods, and is also taken to the Intermediate and grade schools.

#### Chieftain Staff Better Than Ever

Editor-in-Chief Deb Cic teaches the staff fundamentals of a yearbook.

The staff of an annual always has a busy time when it comes to the assembling of the year's annual. This year has been no exception. The 1969 Chieftain staff has been working hard since last summer to produce an outstanding yearbook for Northwest High.
There are a million jobs to do for everyone involved. Section

There are a million jobs to do for everyone involved. Section editors are kept occupied making copy, planning and taking pictures, and finally setting up the various pages and sections of the Annual. The members of the staff sift through large quantities of pictures and copy to find only the best material. It is this dedication and willingness to work which make a yearbook great.

The financial side of making a yearbook is very businesslike and also important to the annual's success. Advertisements are sold to area merchants and sponsors and orders for the Chieftain are taken in the homerooms. There are deadlines to meet and assign-

taken in the homerooms. There are deadlines to meet and assignments to be completed as the work of the editor and staff moves on toward the final product of a yearbook any school would be proud of.

It is the club's aim to further understandings with all peoples, regardless of nationality, and to promote good will with Spanish-speaking people everywhere. Their outstanding project for the year was a Christmas party given for the County Chilren's Home. Club members worked hard to provide gifts and visited with the children. #### Future Teachers of America Makes Tomorrow's Educators

Club Officers planning the next project with advisor Mrs. McLaughlin.

The F.T.A. is a club for those who have definite plans to enter the field of education. During the 1968-'69 school year, the Future Teachers have completed many projects, both on the individual and the club level. Many of the members spend time at the grade schools helping teachers. Others are called upon to teach - either for one class period or an entire day. Still others, who have high marks, are asked to tutor classmates having difficulties. Under the supervision of Mrs. McLaughlin, the club donated articles to Massillon State Hospital at Christmas, and made teaching aids for the E.R.M. Class at Clinton Elementary. This year, thanks to everyone, has proven to be very successful.

### Library Club Provides Valuable Service

Membership in the Library Club is available to the student assistants serving during the current school year. Regular attendance at the meetings is expected in order that instruction in the methods of procedure may be received for which 1/4 credit may be earned each year.

earned each year.

Student librarians are assigned specific tasks, such as the operation of the circulation desk, theshelving of books, and the checking of various sections and collecting books. Each student works one period a day.

The sale of paperbacks is a specific project and this year the club has collected coupons which were donated to the School for the Retarded in Dayton.

ou probably recall that at one point in her adventures in wonderland, Alice found she had to keep running faster and faster to stay in the same place. We know how she felt. Over the years, dozens of companies have challenged the leadership of Hoover cleaners . . . unsuccessfully. We've maintained our leadership through a constant program of product development and improvement for our cleaners, and for our many other products. So, in effect, we keep running faster and faster to stay where we've always been . . in first place. It isn't easy, but it would be a lot tougher without the dedicated skills of all the men and women of The Hoover Company.
