School Secretary

Dear Young People:

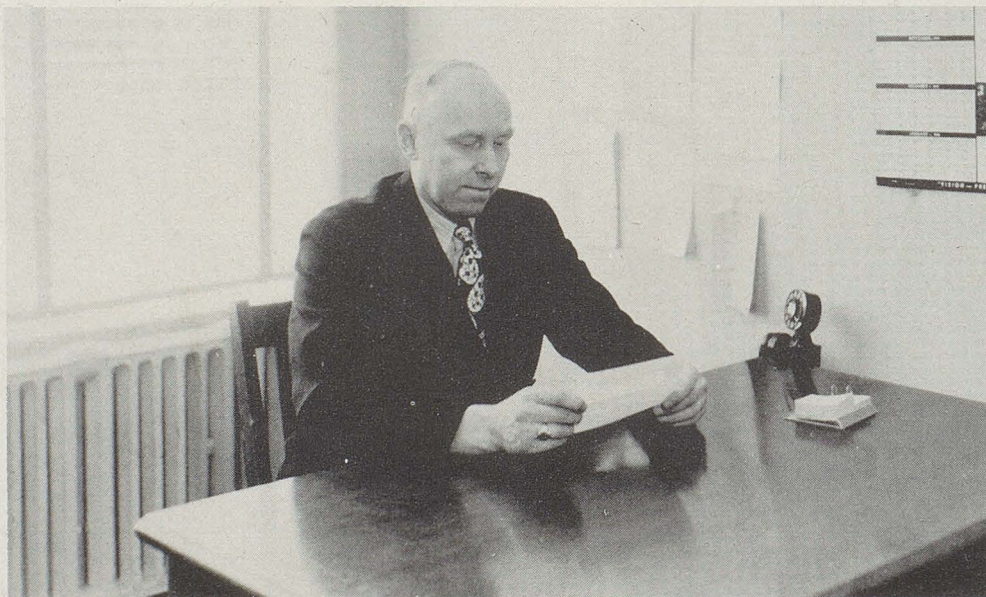

You have reached another milestone in life. Whether you are able to reach future milestones depends upon the abilities and attitudes developed during the course of the preceding one.

It is our hope that the attitudes learned in school have been such that will enable you to successfully complete each milestone enthusiastically and courageously — doing the most good along the way for your fellowmen.

Best of Luck!

Mr. Puffenberger

M U S I C

Phyllis, Jean, Sally, Carol

We are very happy to welcome Mr. Puffenberger back to our faculty after his absence during the war. Under his capable leadership every member of the Band has improved in playing and we senior band members feel much indebted to Mr. Puffenberger for what he has taught us. The Band this year has increased from a very small marching band to a 60 piece concert organization.

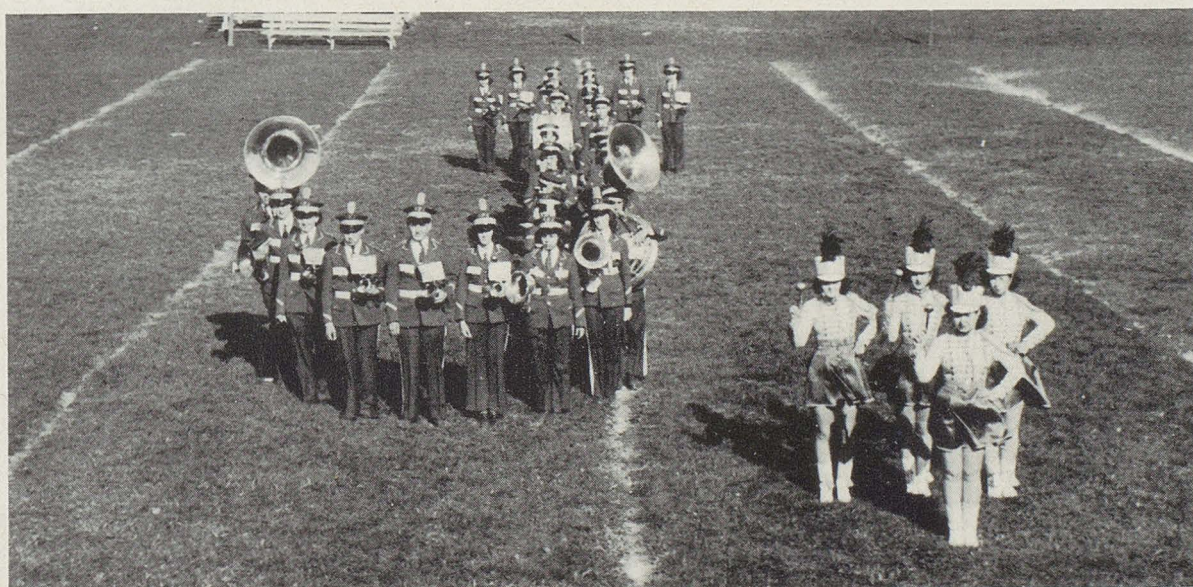

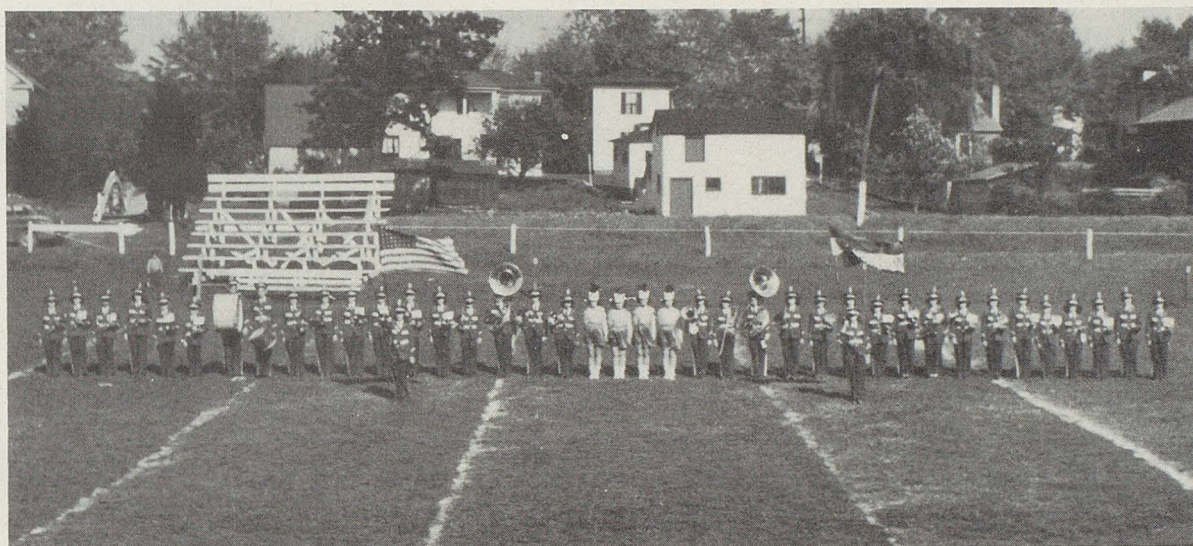

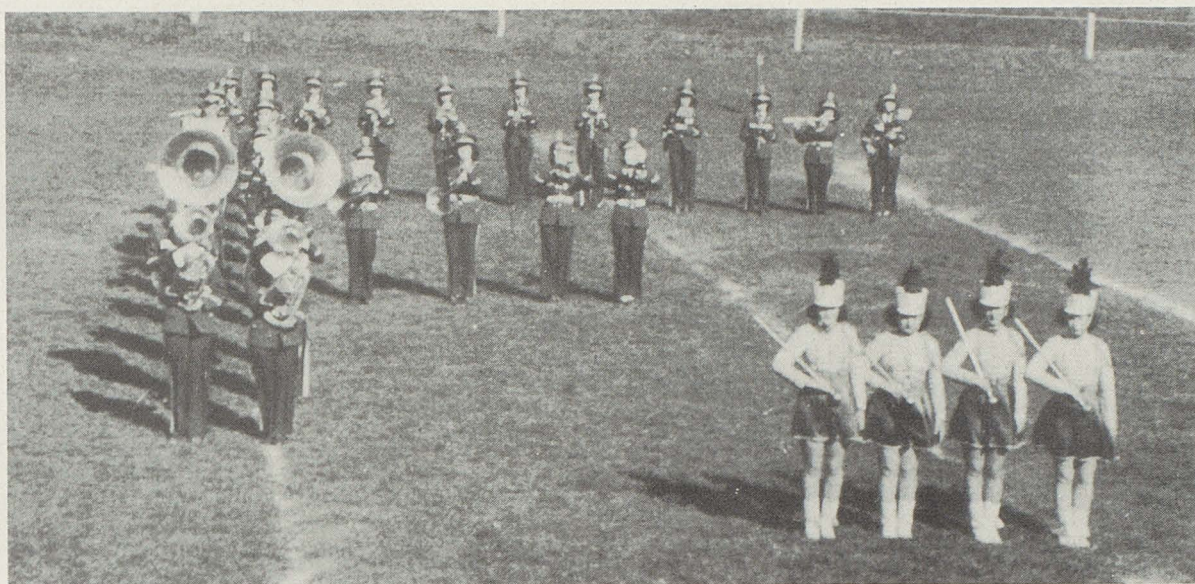

During football season we participated in half-time shows at our home games and also enjoyed a trip to East Canton. We played at one of Baldwin Wallace College football games. During the remainder of the year we have played a December concert, a February concert and our Annual Spring Concert. In addition we participated in the District Band Contest held at Kent State University.
