★ In Loving Memory Of Jordan Daniel Ayers ★

June 2, 1983- February 25, 2001

Preparing to barefoot ski, Jordan takes time off at the beach.

Brotherly love, Jordan and Justin.

Ashley Dodson and Jordan enjoying their time together.

I had to leave so swiftly
I could not say good-by.
I am following my Master's plan
And cannot answer why
Please be sure I am at peace
And understand you cared.

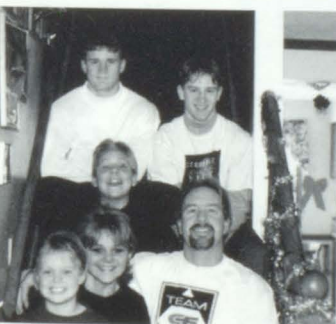

I leave for you a smile
And the memories we shared.

Fighting Our Way Through The NBC

Cross Country

Who ever said that running wasn't fun? Throughout the season the team became not only better runners, but a tight group of friends.

In many ways the cross country team became like a family. In fact, many siblings ran together. Zach and Kyle Romansky, Pat and Stephanie Finical, and

Kelley, Katie, and Erin O'Neill all got to run with their siblings on the team this year.

The cross country team worked many long hours building up their endurance. Long practices and many miles of conditioning paid off in the end as the teams improved their records.

Matt and Zach take a time out to pose for a picture in front of the cornfield.

Leading the pack, David slowly pulls away from the group.

Celebrating another victory, the guys are enjoying themselves.

Matt strides to the finish line after a long race.

Quickening his pace, Zach passes one opponent and takes aim on the next!

Getting to the finish line is all that Mike has on his mind.

Senior members of the girls team were Tiff, Kelley, Sara, and Sarah.

While Katie is taking their picture, the rest of the girls team puts on their best smiles.

Stephanie and Tiff push on as they approach the finish line.

With a look of determination, Megan strides to the finish line.

Taking advantage of her softball socks, Erin is able to stay warm even in the cold weather.

Tiff gives her teammates a pep talk as they walk to the starting line.

State Runner-up

According to Coach Armstrong, David Howard is his most valuable runner, and it is easy to see why. His list of awards for the 2000 CC season include:

- ☆ Two year letterman
- ☆ 1st team all NBC
- ☆ 2nd year NBC Individual Champion
- ☆ 2nd year NBC Most Valuable Runner
- ☆ All-Ohioian
- ☆ Stark County Division II Champion
- ☆ Division II State runner-up

Varsity Football

This year was a year of milestones for Northwest Football. We had our first winning record in thirteen years and Coach Whiting, in his second year at Northwest, reached his 100th career coaching victory. All of the games were closely fought contests. Northwest was quick to establish itself as a serious contender for the Northeastern Buckeye Conference by winning its first three games by huge margins. Our wide open offense and stingy defense brought enthusiasm to the growing crowds.

The NBC opener against Louisville had the fans on the edge of their seats until the final whistle. In the tough 15-9 loss, time ran out on the Indians inside the Leopards 10 yard line. By mid season, injuries began to plague the team. Quarterback Steve Spradling was lost for a

number of games with an ankle injury while his top receiver, Pat Eddy, suffered a season ending knee injury in game five. Despite these losses, the team was very competitive throughout the remainder of the season.

Numerous players received honors for their outstanding play. They included: Ben McAvinew, the Santos Award (Mr. Fitness); John Shuman, the Best Offensive Lineman; Adam Turley, the Best Defensive Lineman; Pat Eddy and Steve Spradling, the Best Offensive Backs; and Marcus Law, the Best Defensive Back. NBC Award winners were: First Team: Pat Eddy and Steve Spradling; Second Team: Marcus Law, Doug Distel, and Ben McAvinew; and Honorable Mention: Adam Turley, Drew Spicer, and Chas Eberhardt. Making First Team All-County were: Ben McAvinew, Marcus Law, and Pat Eddy.

Row 1: Kevin Meneffee, Adam Letner, Ray Griffin, Ben McAvinew, Drew Spicer, Doug Distel, Adam Turley, Corey Beardsley, Steve Spradling, John Shuman, Bobby Wagner, Jeremy Rininger, Justin Clark, Aaron Lowery, and Chas Eberhart. **Row 2:** Marcus Law, Steve Brown, Joe Rice, Jordan Gantz, Tony Schaffer, Mike Gehring, Pat Eddy, Luke Herren, Brandt Hudson, Jordan Ayers, Joe Makan, Adam Vargas, Chuck Ellison, Scott Hass, and John Ardman. **Row 3:** Randy Ardman, Mac Griffin, Jared Villers, Seth Whiting, Gary Eremich, Brian Goode, Josh Walters, Nick McAvinew, Chirs Brinkerhoff, Brian Stacy, Jon Ridenour, Lamarr Edwards, and Kevin Underwood. **Row 4:** Corey Tanksley, John Bertsch, Vince Biaera, Jimmy Panaciulli, Cody Butzer, Mike Kornick, Matt Piatt, Matt Duncan, Ken Sims, Joe Ardman, Jason Mellon, Antonio Law, T.J. This year, Northwest defeated Springfield, Canton South, and even upset Marlinton on their green to knock them out of first place. As far as individual players and their performance, Jake Schwendiman and Aaron Duncan improved their scores from last year to help the team. Brian Hursh and Tom Noffsinger consistently well throughout the season. Jeremy Merzweiler had a terrific second year on the team, but, unfortunately, his season was cut short due to a broken finger. Matt Lewis played an exceptional game, at Louisville, with a personal and team best score of 37.

The team had its ups and downs, and the season was very frustrating. Northwest battled injuries, inexperience, and tough competition, but still managed to pull together to enjoy their season.

At the banquet, Brian Hursh received an award for having the team's *Low Stroke Average* on the team. Matt Lewis was honored as the team's *Best New Golfer*. Jake Schwendiman and Aaron Duncan received awards for being the *Most Improved*. Tom Noffsinger and Jeremy Merzweiler received *Coach's Awards*.

Brian Hursh and Jeremy Merzweiler received NBC Honorable Mention. Team Captains were seniors: Jake Schwendiman, Brian Hursh, and Rick Garret.

Girls Soccer

Although the Northwest Girls Soccer Team didn't have a winning season, that didn't affect the amount of effort on the field. Each girl played well no matter what the circumstances. With a record of 0-15-1, the highlight of the season was a victory in a Sectional Tournament game over Manchester, a 4-3 overtime thriller. Each girl who played on the field that particular night, played their best game of the season.

The Junior Varsity Team ended their season with a 4-6 record. The highlights of the JV season were victories over Massillon Washington. Each time the two teams played each other this year, the Indians were able to come away with a win. The JV team also played with a lot of effort on the field.

Throughout the season, goals were scored, games were lost, but overall the Northwest Girls played like champions.

This year at the award's banquet, many awards were presented. The awards, that were given to the Seniors, included: the team M.V.P. Award, given to Liz Fox, the varsity goalie, who had many saves throughout the season; the Best Defensive Player Award, given to Amber Sendejaz, who was an awesome defensive player game in and game out for the Indians; the Best Offensive Player Award was given to Melissa Megois who kept pushing the ball up the field; the Coaches Award was give to Erin Corral who earned the respect and who respected the coaching staff; the Santos Award was given to Sharon Habjan, who maintained her grades during the season even when there were late games; and finally, the Most Improved Player Award was given to Ashley Lockhart, who became a better soccer player with the passing of each game. Varsity letters were presented to the Seniors as well as many underclassmen. With the number of returning letter winners, the future looks bright for the Lady Indians.

VARSITY VOLLEYBALL

This year the girls on the varsity volleyball team overcame many obstacles and were able to obtain a second place finish in the NBC with a league record of 8 and 6.

Jessi Capps was selected as the captain of the team. She was a strong leader and the team's star player, receiving the honor of first team all NBC. Other award winners

were Erin Eckroad Second Team NBC, and April Lambes and Andi Rennick, who both received honorable mentions in the NBC.

Other members of the team were Sophomore Courtney Blowers, the teams setter, and freshman Ashley Ross, a middle hitter.

With seven returning letterman, the future of the volleyball team looks bright.

JUNIOR VARSITY VOLLEYBALL

After years of struggling JV volleyball teams at Northwest, this year's team seemed very promising. Along with improving their individual skills, they also learned what teamwork was all about. The girls stuck together whether they won or lost. According to Coach Rafailedes, this group of girls has a bright future as varsity players. Captains of the team were Holly Lacy and Therese Barkey. Freshman Amanda Boso, a strong server, also contributed to the success of the girl's season.

Serving away, Holly managed to get the team many points throughout the season.

FRESHMEN VOLLEYBALL

This year the girls on the freshman volleyball team learned what it took to stick together and play as a team. Although their record wasn't perfect, their skills improved throughout the year. In the next few years, these girls will be a great asset to the JV and varsity teams. Members of the team who missed the picture were: Katie Gentner, Kaylie Morehart, and Dailbreah Naso.

The 2000-01 edition of the Indian's basketball team had an up and down season. The returning Seniors had high hopes for a tournament run. However, that thought was dashed by injuries, inexperience, and inconsistent play. The team started the season in fine fashion, easily handling Green, 81-74, but then they ran into a very tough Louisville team that eventually would finish undefeated and make a serious run in the tournament. At Christmas, the team was 4-4 after having defeated very good Carrollton, Norton, and Marlinton teams. They were playing good team ball and ready to make a run.

Disappointing losses to Springfield and West Branch took all the wind out of their sails as the team proceeded to lose eleven of their remaining twelve games. In that skid, they lost some real heartbreakers and were never really out of most of the games. A Sectional tournament loss at the Fieldhouse against Fairless ended their season and any hopes of advancing in the tournament.

Seniors Aaron Lowery and Chas Eberhardt received post season honors in the NBC and in the District for their outstanding play over the course of the year. With many returning lettermen, the addition of a good JV team, and a NBC Champion Freshmen team, the future looks bright for the basketball program.

This was a fantastic year for Northwest Wrestling. Our overall record was 7-1, which placed us 2nd in the NBC behind Marlinton. During the year, the team participated in four tournaments; placing 12th at the Medina Invitational, 6th at the Hoover Tournament, 1st at our own Northwest Invitational, and 6th at the Bill Dies Tournament.

Our post season was very eventful with Cody Butzer, Tony Naso, Jared Villers, Tom Ondecker, Ben McAviney, and Ray Griffin all placing 2nd at the Louisville Sectionals. Zebb Crofut placed 3rd. At the Firestone District, we qualified three wrestlers for the state tournament. Jared Villers was 1st place, Ben McAviney placed 2nd, and Ray Griffin placed 3rd.

In Columbus, Ray Griffin finished with two wins and two losses. Ben McAviney finished as the Division II 189 lb. runner-up. Jared Villers, wrestling at 171 lbs, knocked off John Lowery from Walsh Jesuit 5-4 for our first state title since 1989. His win lifted our Northwest Indians to place 10th in the state for Division II.

Cheerleading

The Cheerleading season began in July when the girls headed for camp. The Varsity, JV, and Freshmen attended the Cheer Ohio camp at Dennison University. There, they earned many red, blue, and gold ribbons. The Varsity squad earned the outstanding squad award while the JV squad placed first in the fight song division.

This year, all of the squads made it one of their goals to attend more competitions. The first competition was held in Dublin, OH. The Large Varsity, Varsity, and JV squads competed. The second competition that the girls attended was at Kent State University. This time Large Varsity and Freshmen attended. The third competition that they attended was at

CVCA with the Large Varsity, Varsity, and JV squads competing. The Large Varsity Squad took second place behind Stow and the Varsity squad took first. These competitions were practice for the big NBC competition.

The fourth annual NBC cheerleading competition was held at Northwest High School. All of the NBC teams attended and competed with squads ranging from Junior High through Large Varsity levels. Our Freshmen squad placed second, JV placed first, and the Large Varsity finished in second place. The competition was a huge success and was a lot of fun for all of the girls.

This year's baseball team was a season of ups, downs, and streaks. The team began the year by winning seven of their first twelve games. This was followed by a nine game losing streak that saw the Indians fall below playing five hundred baseball. They ended their skid with a 9-1 victory over Minerva, then fell to Springfield and West Branch and finished with a 5-9 league record.

Next they entered the OHSAA Sectional tournament and promptly upended the number one seeded team, Field, by a 9-7 score. This put the Indians into the District Tournament for the first time since 1986. The District game was played

at Louisville against a Canton South team that had beaten the Indians twice during the regular season. Northwest fought hard but could not pull through against the tough Wildcats. The end of their season came at the hands of the Wildcats in District competition by a 10-0 score.

With a strong effort from the Junior Varsity and Freshmen teams this past year, the future looks bright for the Indian's baseball program.

Great Season Indians!

Natalie gets some last minute tips.

Northwest's varsity softball team ended its season with a fine 16-9 record. The team went undefeated for their first eight games and held their own throughout the season. For this, they were to be seeded first in their division for the state tournament. During the season, freshman pitcher Christine Bills threw a no-hitter against Carrollton at home; junior Natalie Adams cranked a home run over Louisville's left field fence; and senior Victoria Wolter led the county in RBI's finishing her season with 26. Freshman Christine Bills was the only new face to the varsity program this year, and she was a huge asset. She pitched well in every game and was supported by a very strong defense. The team placed 3rd in the NBC, and were tough competition throughout the season.

Track and Field

It was another record setting year for both the guys and the girls track team. On the guys side, David Howard set a new mile record with a time of 4:20.96, while the 3200 meter relay team of Pat Finical, Matt Messenger, Jeff Swartzel, and David Howard set a new school record with a time of 8:05.3. For the girls, the 400 meter relay team of Pam Sims, Renee Neidert, Brandi Clarr, and Lisa VanGaasbeek set a school record with a time of 52.47.

The guys team completed another outstanding year, missing the NBC championship by a small margin. After tying Carrollton in the NBC meet, the tie breaker resorted to dual meet competition. Carrollton was declared the winner based upon their narrow victory over the Indians in dual meet competition. Loosing only a few seniors, next year looks to be very promising for the guy's team.

The girls team continues working hard to improve their times and records. Although not many wins were posted, the season and the future looks brighter for them as many personal best times were set by numerous underclassmen.

Pat Finical, Pam Sims, Jeremiah Reil, Renee Neidert, Sarah Smith, Andi Rennick, Adam Sharnsky, Sara Storz, Tiffany Hanson, and Matt Litten were this year's seniors.
