## Hi - Y

# MUSIC

By the efforts of Mr. Puffenberger in the past seven years, our Band, Orchestra and Glee Club have achieved high ranks among the organizations of the county. The Seniors who through graduation must leave his organizations wish him continued success in the years to come.

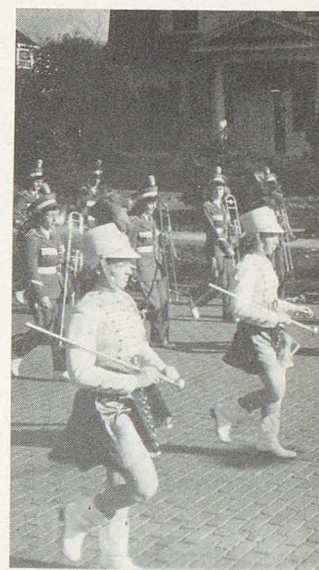

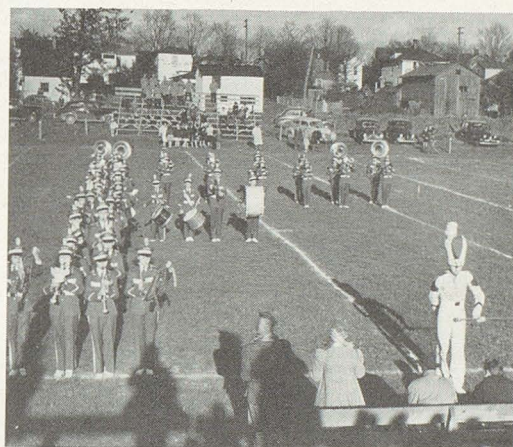

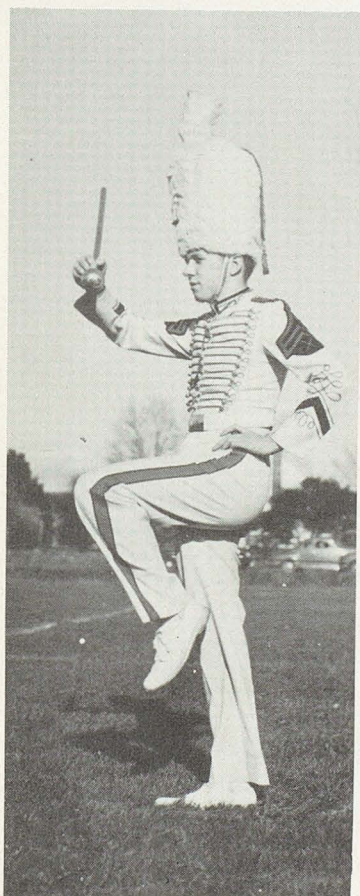

Good music has power to stimulate high and noble thoughts; participating in a musical activity requires quickness of precipitation and a fine coordination of mental powers.

The band is a socialized organization which offers many opportunities for personal and cultural contacts.

Through constant practice, excellent training and hard work our orchestra has achieved wonderful results in both swing and concert music.

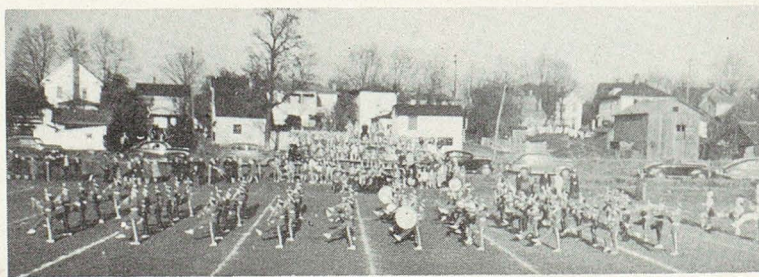

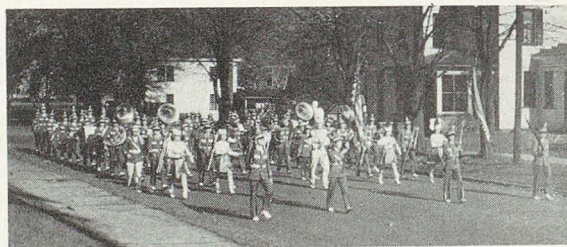

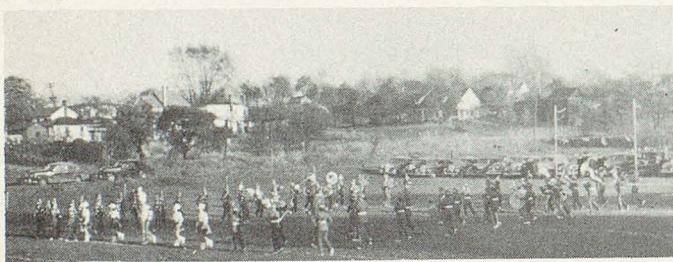

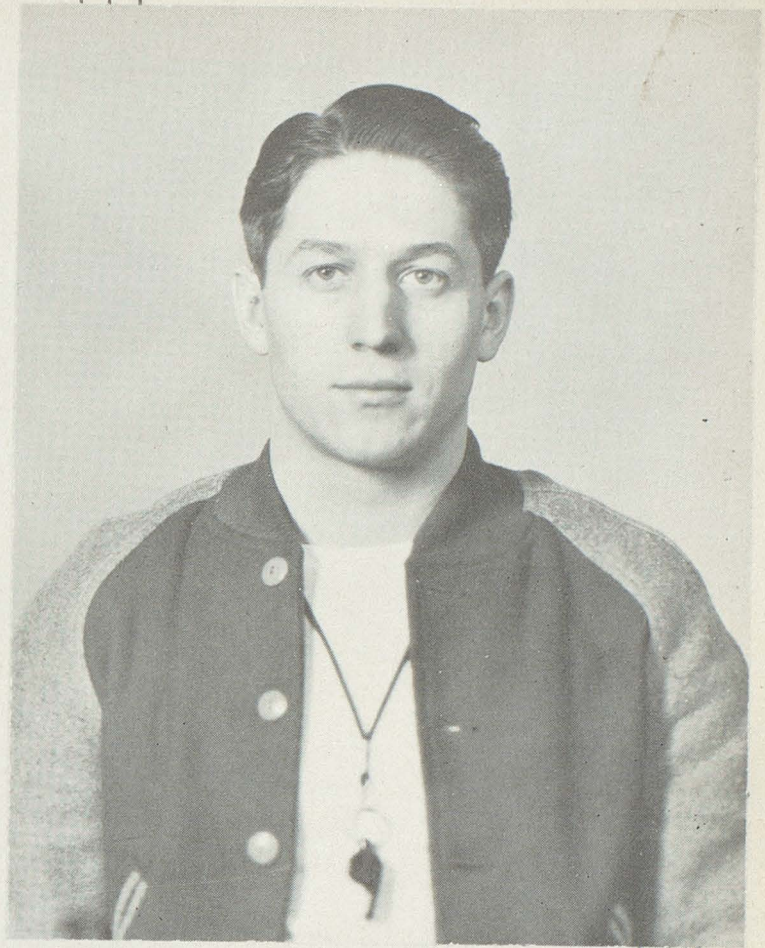

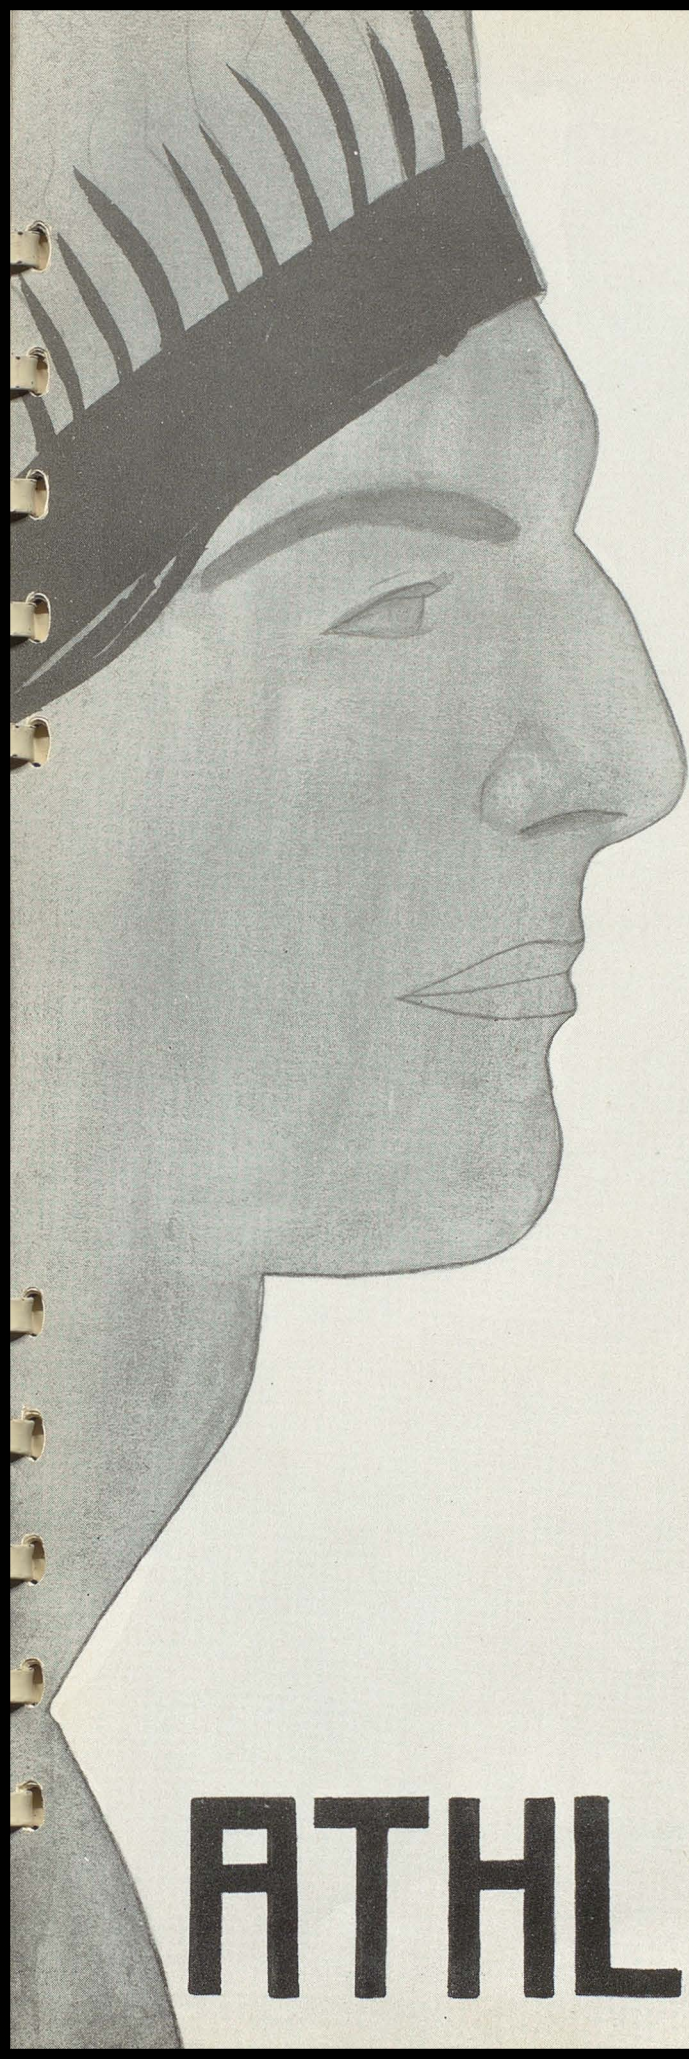

## Glee Club

The Glee Club had a very successful year due to constant practice and the never tiring effort of Mr. Puffenberger. The year's outstanding performance of this group was the March Concert.

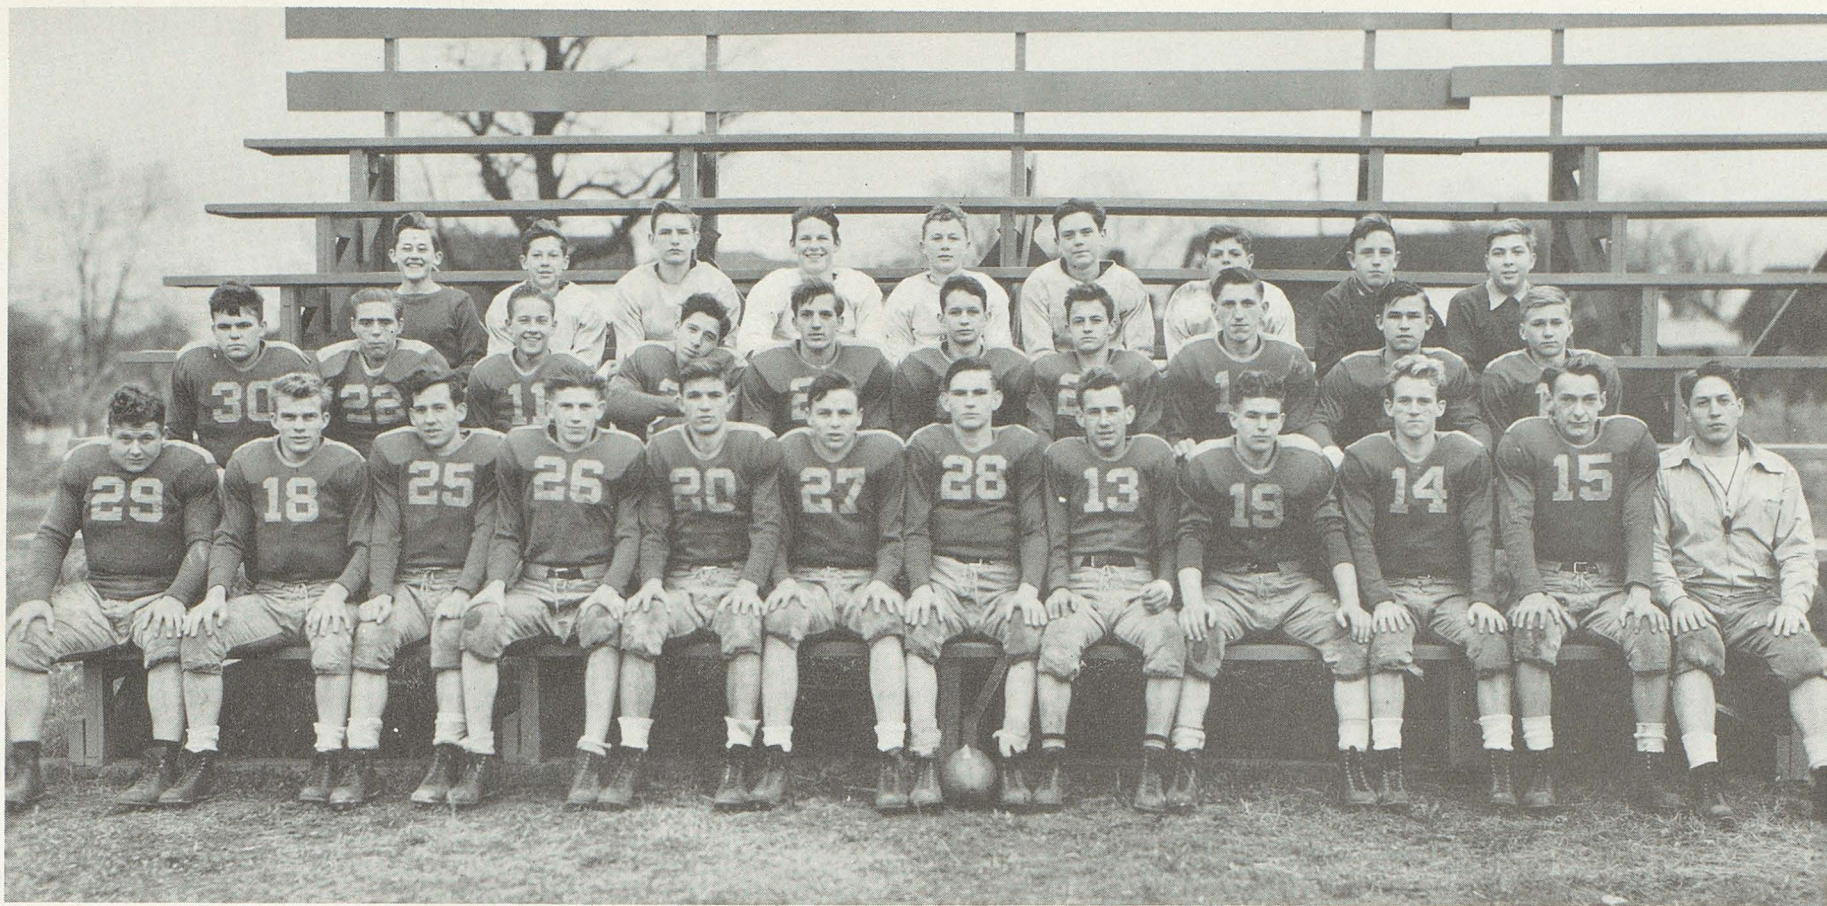

By endless toil and supervision, Mr. Peterson has coached us Senior boys through our last year of football and basketball. We have thoroughly enjoyed working with him and hope that he can continue his career through many successful years to come.

**Common Sense  
and Elbow Grease  
is More Important  
than ever for  
SAFE DRIVING**

War necessity means that the autos that crowd our highways will be cars that have seen longer service. Parts must be depended upon for longer life before replacement. There is bound to be more "flats," more blowouts as tires are stretched to the last mile.

**This can mean mounting accidents unless extra care is taken.**

Use common sense—drive at moderate speeds—be alert.

GASOLINE AND MOTOR OILS

CANAL FULTON, OHIO

Use elbow grease. Keep tires properly inflated. Keep steering mechanism and under-car parts lubricated; watch lighting systems, cooling systems, oil level. Your service station man can be a good neighbor in this emergency.

You'll find Fleet-Wing service men skillful and willing. Let them help you. Come in for frequent check-up and service. It's your duty to "keep your car up to par," and it's our job to help you do it.
