"AND NOW GOODBYE"

We Seniors of '43 wish to impart to you the pleasures we have had in our years of high school. We have had our difficulties as well as our better times. One of our misfortunes was the loss of both our Sophomore and Junior class patrons, who are now serving overseas. We have lost classmates too, and we have gained new ones all of which goes with school life. However we have proceeded to our final year which has proved to be our most enjoyable. We are sorry that we are leaving so many good times behind, but we must go on into a larger world where we hope for greater success.

MUSIC

We Seniors were reluctant to part with Mr. Puffenberger who has ably headed our music department for eight years during which time he has brought it from small beginnings to an organization of recognized excellence. Although we realize that the need of our country comes first, we hope the war soon may be ended so that he can return to Canal Fulton High School.

FACTS FOR SENIORS

You can serve your country at good pay in "the army behind the army." Government offices, war industries, and local business firms urgently need secretaries, stenographers, typists, bookkeepers and clerical workers.

U. S. Civil Service stenographers now receive \$146.00 per month to start. Local office salaries are higher than ever.

You can prepare quickly for employment in useful war service by enrolling for one of our emergency courses. Summer School will begin June 14.
