## Homecoming 1970

# Age of Aquarius

The homecoming theme this year was the "Age of Aquarius." Highlights of the weekend were the float contest, the crowning of the queen, the football game with East Canton, and the traditional homecoming dance.

The Senior's float "Raid the Hornats" won first place honors. Juniors took second place, in third place were the freshmen, and the sophomores came in fourth.

Queen Cindy Hardy was crowned by Captain Virg Durinsky during pregame festivities. The band played several selections in her honor and the majorettes presented a fire routine during halftime.

Although the team played their best, East Canton won 45 to 20.

The homecoming dance was held Saturday evening. The Juniors had decorated the gym in silver with the signs of the Zodiac.

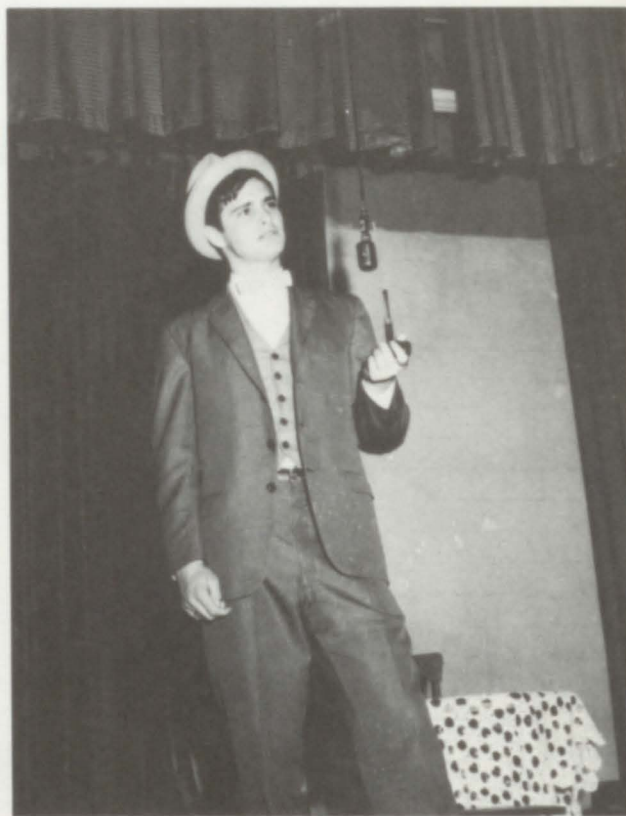

## *All School Cast Presents "Our Town"*

"Our Town," Thornton Wilder's play about a small New Hampshire town was presented by an all-school cast on November 21, 1970 in the gym.

The play is centered around two families in Grover's Corners, New Hampshire. Act one tells of the daily life of the Webb family and the Gibbs family. The second act involves the love affair between George Gibbs and Emily Webb. The third act takes place at a cemetery where many of the townspeople have passed away. Emily has a chance to live again one day in her life but she soon learns that the past cannot be relived. Truth comes only from the future.

## Season Opener Provides First Victory!

Referee signals Indians' first touchdown.

The 1970 Football season started with a bang for the Indians. After a previous winless season, the Indians proved themselves a much improved team. Upon meeting the Doylestown Chippies at the home of the "Fighting Indians," we made our first TD of the young season when quarterback Virg Durinsky connected with All Senate League Star, Gary Anderson.

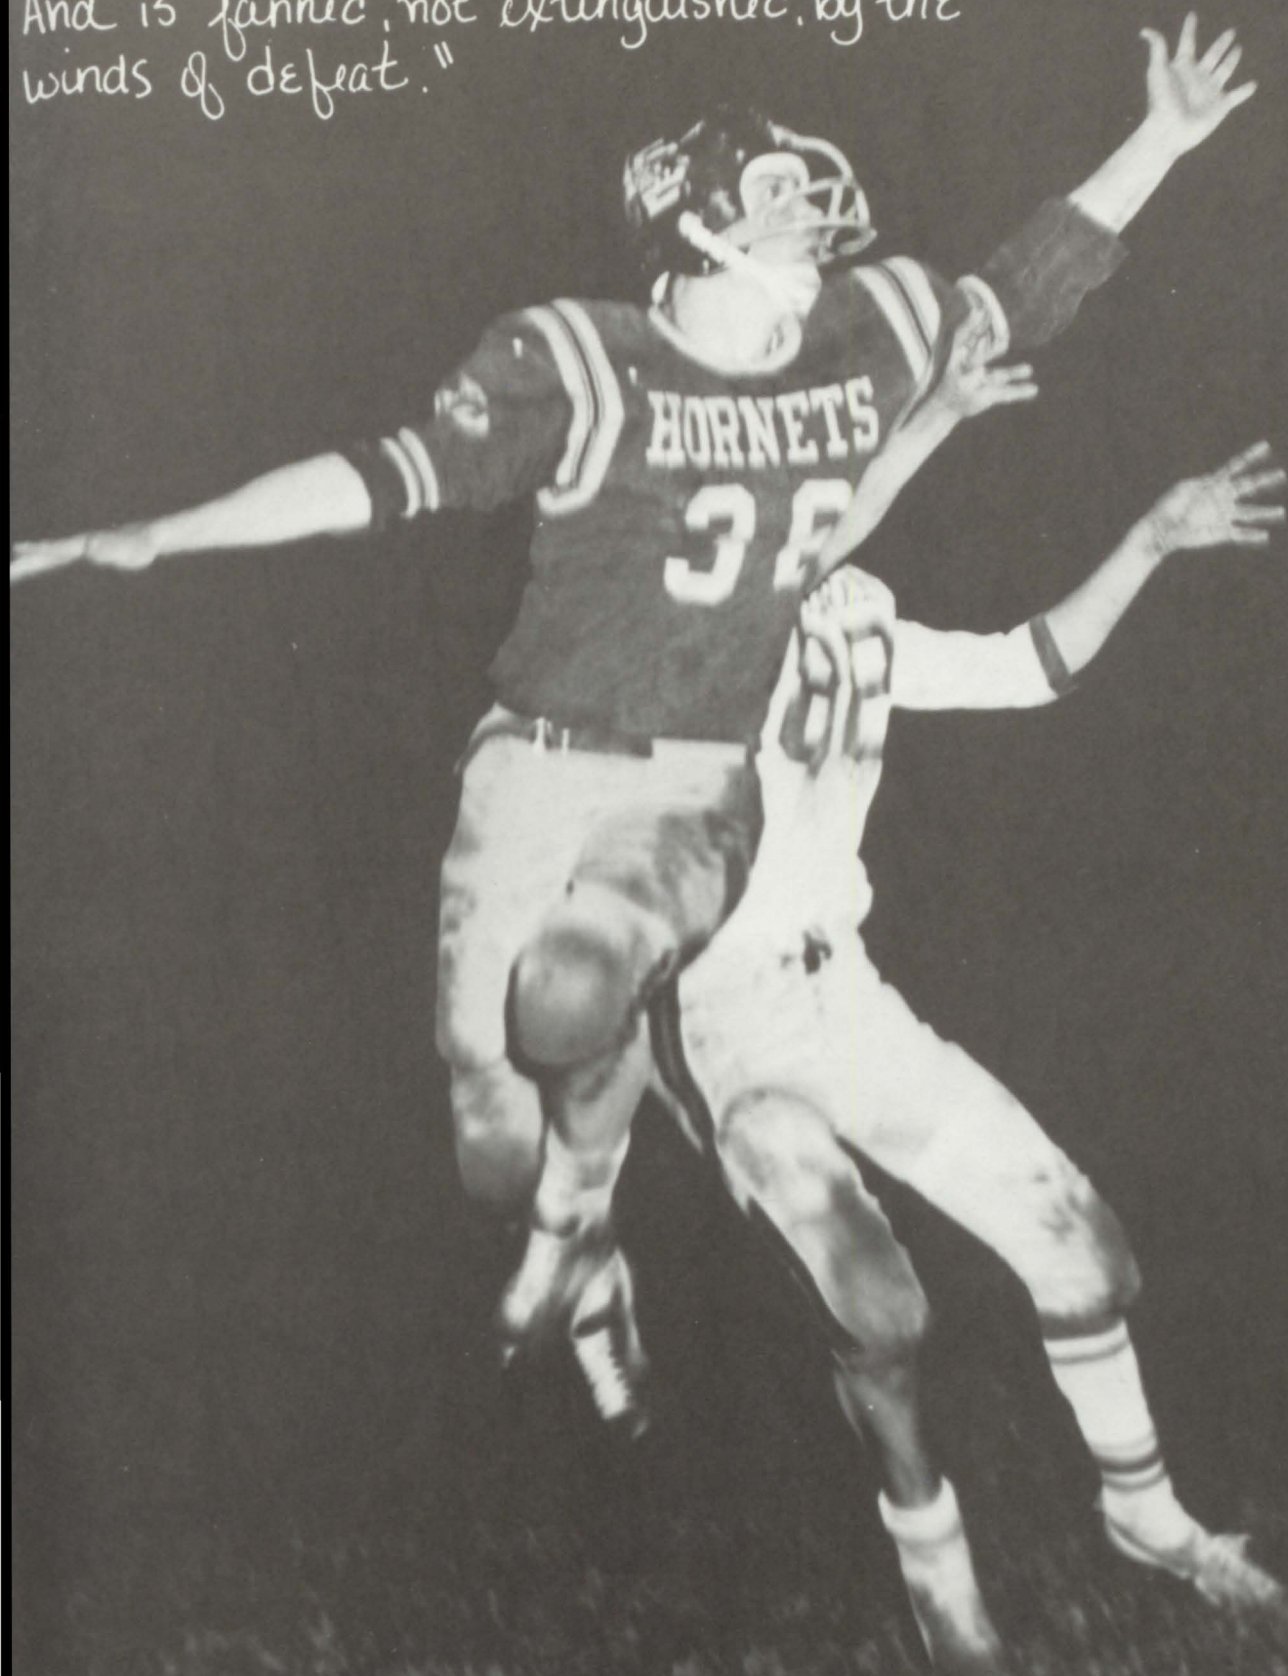

As final seconds ticked off, an anxious crowd prepared to rush the field ... 5,4,3,2,1, Victory was ours as a proud school charged forth to celebrate the first victory in N.H.S. 1970 Football season.

This year the Wrestling team had five Seniors on the Varsity squad: Alan Gazey (145) posted a winning record after delayed entry his Senior year. Alan had worked very hard for three years on the reserve unit.

Gerry Ross (126) finalized his fourth year and his third letter. Gerry took third place at the Invitational and was part of the "fighting five" of the Sectional taking first in that tourney. Opposing coaches have said "Ger" was best when he was behind. He also won the "Quick Pin Trophy" his Sophomore year.

Mark Smilek (98) showed extreme dedication during his wrestling years. Early in the season his Sophomore year Mark was injured and was sidelined because of it, thus, delaying for one season the Varsity experience so necessary to be a great winner. He joined an elite group of being undefeated his Senior year and started the "fighting five" at the Sectional Tourney.

Mike Fahrney (Hvy) established the best Hvy. record in nine years. He found victory at the Greater Akron Reserve Tourney, N.W. Invitational, Warren Holland Invitational, Sectional Champ, and District Finalist. Mike was undefeated for two years and in 1970 he earned the "Quick Pin" trophy.

Dave Jolly (119) became the fifth wrestler and the seventh Northwest athlete to acquire four Varsity letters in the same sport. The season records showed continuous improvement. His accomplishments show N.W. Invitational Champ, Warren Holland Runner-Up, Sectional Champ, victory over three states and controlled time for one minute on the Captain of the U.S. Jr. Olympic Team that went to Japan. Dave also received "Most Valuable" Wrestler Trophy in 1971.

## Wrestlers Continue Winning Way

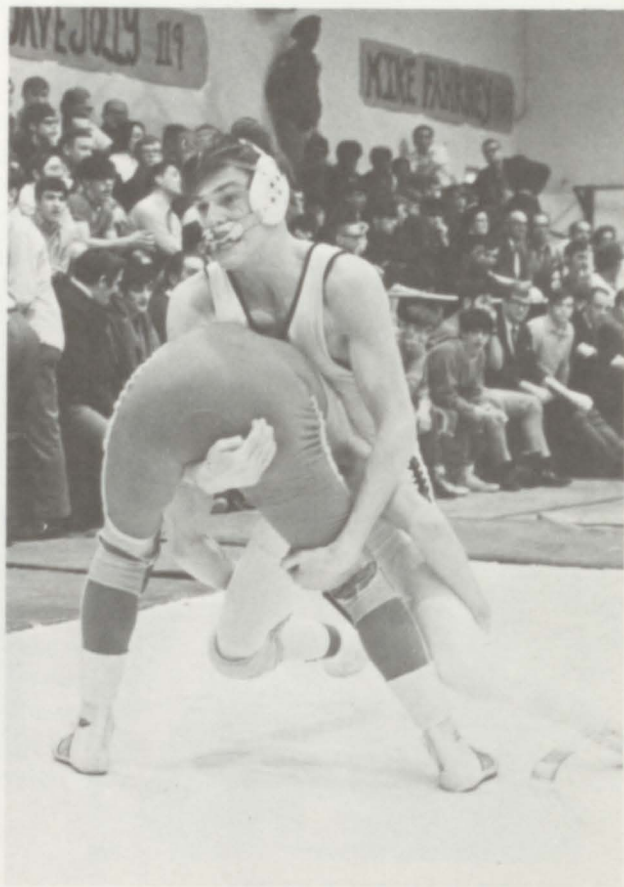

This year the Northwest Wrestling team once again demonstrated the dedication necessary to chalk up an over all team record of 10 wins and 3 losses. The 1970-71 season was typical of past hard working and strongly competitive Varsity and Reserve units.

The year was highlighted by Northwest posting wins over teams representing the four states of West Virginia, Pennsylvania, Ohio, and Kentucky. As usual, (3 years in a row), N. W. won the 7th Annual Invitational Tourney but by the largest number of points and champions ever.

In the final meet of the year the Varsity walked by Wadsworth to take victory number 75.

The Reserve team lost the first encounter but went on to win the rest of the season. The largest number of wrestlers finished out the season when the final week found 48 members on the team.

The Reserves and Freshmen took part in the Waynedale High School Invitational and the "New" Northwest Reserve Invitational. The promise of future winners was strongly indicated on the Reserve and Frosh squads.

The purpose of Student Council is to: develop attitudes of, and practices in, good citizenship; promote harmonious relations throughout the entire school; improve student-teacher relationships; improve school morale; assist in the management of the School; provide a forum for student expressions; provide orderly direction of school activities; charter school clubs and other organizations; and promote the general welfare of the school.

Student Council officers pictured above include Wolf Weber, Treasurer; Cindy Hardy, Secretary; Mary Anne Higgins, President, Bob Wallace, Vice-President, is not pictured.

Rosanne Sense and Danny Clark enjoy a little noon-time friendship in the gym.

Chris Lance, Rex Twyman, Kathy Hess, Bill Curry have a discussion during lunch as Mr. Luther learns the latest. (OH! he told me he was ill when he came for his admit slip!)

Throughout the 1970-71 school year the student council worked for the betterment of the school.

They arranged the Christmas party, purchased pins for the National Honor Society, provided ping-pong tables in the gym and a record player in the cafeteria at lunch time, and made arrangements for students to go outdoors during lunch in the Spring.

After complaints came to the Student Council, they took action to have the stage curtain replaced and a mirror put in the girls' locker room.

During the year there has been a student exchange with Tuslaw and Barberton High Schools. Morning announcements, election rallies at the end of the year, and Freshman orientation are other responsibilities of the Student Council.

Future plans include planting trees and flowers in the courtyard.

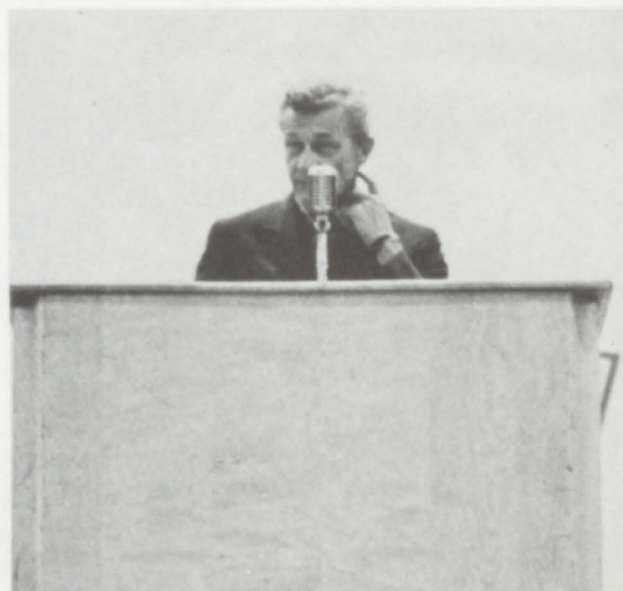

OLD MEMBERS ARE: FIRST ROW: Kathy Shondel, Luanne Pitz, Mary Anne Higgins, Alma Finefrock. SECOND ROW: Miss Fletcher, Pat Peterman, Mark Smilek, Gary Anderson, Robert Shields, and Mrs. Reppart.

## *Eight New Members Inducted Into National Honor Society*

The National Honor Society's induction was held in March. Old members welcomed the eight new inductees into the club with Kathy Shondel presiding. Mr. Glass presented certificates and pins. Mr. [blank] sponsored by the Hoover Company, concluded the ceremony with a speech.

Following the induction in the auditorium, a tea was held in the school library, sponsored by the Future Homemakers. Parents, faculty, and members attended the affair.

The new members were: Louis Korom, Martin Fye, Robert Wallace, Debbie Roach, Alice Wagner, Debbie Dittmer, Karla Karalic, and Suzanne Woodford.

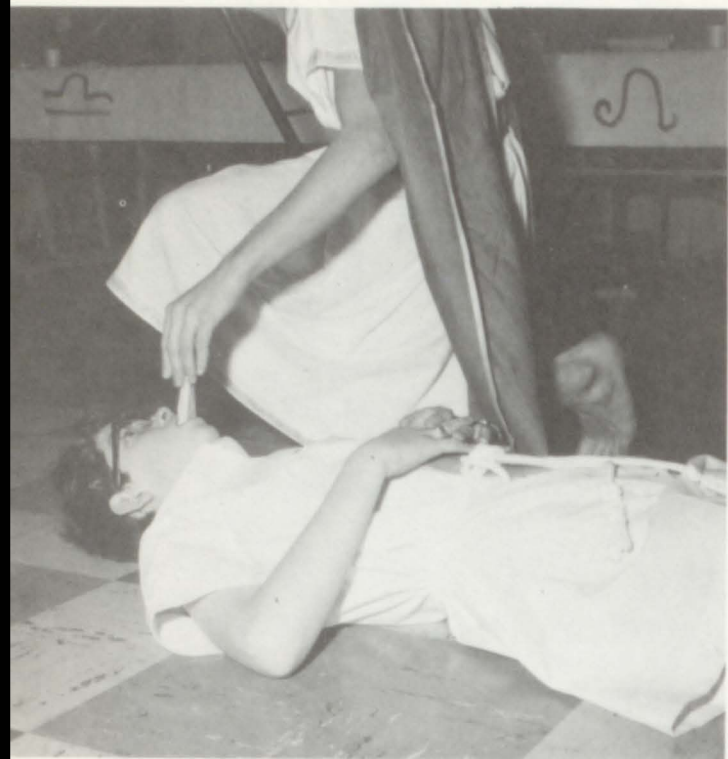

The four requirements for membership in the National Honor Society are character, leadership, service, and scholarship. Each member must demonstrate these qualities.

The faculty votes on each candidate for membership and rates them in each of these four categories. Every spring the members from the previous year induct seniors and juniors into their organization.

The club's purpose is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools.

## *A Roman Banquet*

The Junior Classical League's purpose is to gain a more thorough knowledge of Roman life, history, and literature; to gain a thorough understanding of the practical and cultural side of Latin; to interest other students in classical languages.

The Latin Club, one of the most active clubs in the school, sponsored a variety of activities. The annual slave sale and Roman banquet were held in March. The slaves were sold at the beginning of the week and the banquet featuring Astrology climaxed the slave week. The club also celebrated Saturnalia, a Roman holiday. The club once again sponsored a Japanese orphan. The members attended the State Latin Convention in Columbus, where they took third in the scrapbook contest and received a trophy for being club of the month for March, 1970. The club went to see the movie *Ben Hur* and attended the Olympic Day at Brunnerdale Seminary.

The Future Homemakers of America is the organization of girls studying homemaking in high school. It provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

The club performed many yearly projects. They held a party for Chapel Hill Home, made favors for children in the hospital, and had a "red tag" day. For the "red tag" day, members met in the home ec. room and the first boy they met between classes that particular day was awarded their red heart. The boy with the most hearts won a prize.

They also prepared a luncheon for teachers on Friday during F.H.A. week. Spring cleaning was added to the list of achievements.

## *"... and the Band Marches On."*

The N.H.S. Band supported its school and community in several ways. Not only do they march for all home and away football games, but they march in all community parades. The band participated in the Loyalty Day Parade, Memorial Day Parade, and Old Canal Days Parade.

For the '70 marching season, the band presented such famous hits as "Saint Louis Blues," "Hi De Ho," "Tommy," "Bridge Over Troubled Water," "Sweet Georgia Brown," "Hawaii Five-O," and "Leaving on a Jet Plane."

## "Puff"

The high school band, under the direction of Mr. Emil W. Puffengerger, has become a major organization at Northwest. His flair for the dramatic expressiveness, which produces the finest quality of music, makes the band the most enjoyable entertainment.

Mr. Puffengerger has spent most of his life building up a "better than average" band. He is, in fact, one of the most well-known band directors in the state.

Mr. Puffengerger has also taught at a summer school for high school musicians at Baldwin-Wallace college in Berea, Ohio.

Of the many things he has organized and directed, he is best known for the Canal Fulton Band Clinic held each January for 30 years. This event brought many world famous conductors, artists and bands to our school.

He was also a recipient for the "Mac" Award in 1966 (being chosen the outstanding band director of the year), along with the Edwin Franko Goldman Award in 1970 (for outstanding contributions to the advancement of high school bands).

## Our Leading Personalities

The drum majors this year were sophomore Harry McCarty, and freshmen Mike Jarrel and Craig Zickefoose. They had the responsibility of leading the band, and giving instructions on the marching field and in parades. This year was their first year at this type of leadership.

There are eight majorettes this year. They are captain Kathy Shondel, Pam Nicholard, Debbie Dittmer, Debbie Roach, Anita Swigart, Brenda Fraser, Jo Lane Walsh, and Jane Bailey. Their job is to work out routines of twirling and dancing to do while the band does its show, or as features during half-time. At the end of last year, fire routines were added.

By democratic process, the band chooses senior officers each year. Every office has different responsibilities, but all-in-all they lead up to organizing the band and setting a fine example of the caliber that an 'outstanding' band needs. Elected were Terry Naylor, President; John Gay, Vice President; Marcy Stoffer, Secretary; Ilona Haring, Treasurer.

## *Happiness Is . . . Playing the Right Note*

The Northwest High School Band, consisting of 91 members is under the direction of Mr. W. W. Puffenberger and the assistant director Mr. W. J. Hall.

During the year the band gave three concerts: on December 13, February 14, and May 16. All were attended well by the community. For the December concert, solos were sung and different instruments were featured.

This year makes the 32nd year Northwest has participated at the district and state contests. Each year the band has achieved an 'I' (superior) rating.

At Commencement, the band supplies the graduation music. In order to make this a successful procession, it requires practicing of both the band and the graduating seniors.

Throughout the year, nightly sectional practices are held. Members of the particular sections and both Mr. Puffenberger and Mr. Hall attend these. This is one of the ways of showing the dedication of both students and directors.
