Foreign Exchange

Veronica Legy Inustroza:

Veronica is a 17 year old foreign exchange student from Mexico that is attending Northwest High School for her junior year. Her host families thus far are the Guterrez family and the Thornton family who both have daughters in our school. At home in Mexico, Veronica left her father, Felix Legy Onliveros, a tinsmith, and her mother, Delia de Legy, a cosmetologist. She also left her four sisters, Anna Delina, 19; Gabriela, 14; Maria Isabel, 9; Patricia, 5; and brother, Marco Antonio, 18.

Veronica wanted to come to American to learn English. She has traveled here before with her family, to California and Arizona, but has never experienced before our cold Ohio weather. She hopes to travel to New York City sometime during her year here.

Northwest is very different than Veronica's school in Mexico. There she attends a private, all girls school, where she has to wear a uniform and was not allowed to wear make-up. She likes the fact that she can dress and look the way she wants at NHS. The people at NHS are very much like the people in Mexico. Teenagers there have mainly the same interests as American teens in music and clothing.

Veronica's future plans including the University of Quadeloupe to train to be a dermatologist, and to someday get married and have a family.

She will be greatly missed when she returns home.

Tammarat "Joe" Tantragool:

Joe is a 17 year old exchange student from Suphanburi, Thailand, near Bankok. He came to American because of his father's encouragement for him to learn English, and because it's a big country liked by his people. Joe's found that Canal Fulton is a much smaller town than he's used to in Thailand, and NHS is much smaller than his old school.

So far this year, Joe has lived with the Wagner family and the VanSickle family, who both have children in our schools. At home in Thailand is Joe's father, Sukhont; his mother, Payao; two sisters, Yanee and Wattana; and a brother, Prapat. His father owns a motorcycle shop in Thailand and his family lives above the shop.

Joe sees many similarities between Thailand and the U.S., such as McDonald's, Pizza Hut, most sports, and disco dancing. He also sees the differences, such as the taste of food, and which side of the road Americans drive on. Also, Joe's high school in Thailand is much bigger than NHS, lasts only three years, and the classes don't meet every day. American student are much taller than most Thai students are, too, even though Joe is over six feet tall.

In his return to Thailand, Joe plans on attending the university and studying business management.

Joe has many American friends who will miss his funny personality when he returns home.

Lower Left: The pro-democracy protests began on April 15 with a call by students for talks on increasing social freedoms and ending official corruption.

On June 3, troops opened fire on the protesters, smashing through barricades with tanks to reach Tiananmen Square. The 1989 Golf Team had a successful season with a 12 and 6 overall record including a third place finish in the Massillon Invitational. In the new Northeastern Buckeye Conference the Indians finished third with a 9 and 5 record. In tournament play Chris Barnett finished among the top individuals in the Sectional-District and advanced to Regional competition where he barely missed qualifying for state. The team finished tied for fourth out of 18 teams in the Sectional-District and missed advancing VIA the tie breaker.

Our two seniors, Chris Barnett and Joe Culver were our co-mups and will be missed next year. Although they will be missed, our 16 and 0 JV team leaves us optimistic for the future. Chris Barnett was selected to the 1st team all county, and first team all league. Joe Culver was selected honorable mention all county and second team all league.

Powder Puff Football

The 1989 Homecoming week started off with the Senior Women vs. Junior Women powder puff football game held on Oct. 9th at Smilek Stadium. There was much spirit and determination going into the game, due to the decoration of the school with spirit signs by both teams. The Seniors were the first to score at the start of the first quarter to make it 6-0. That put the pressure on the Juniors, who came back with a touchdown to even the score 6-6. The score was tied at halftime 14-14. The third quarter seemed to go as the first did, with the Seniors touchdown which brought back their lead. The Juniors kept right on going to actually pull ahead 22-20. Due too the scoreboard error, many thought the game was over, but official time still had 18 seconds remaining in the game. An onsides kick by the Juniors was picked up by Anita Edwards who ran it all the way back for a Senior touchdown to make the score 26-22 with little time remaining. The Juniors got one last chance to take the title, but failed, leaving the Seniors with a 26-22 victory, the closest, and most spirited game played in a long time. Nice job Juniors, and Congratulations Seniors! Many thanks to Coach Orr and Coach Mayfield, and Mr. Venables, Jeff Bowman, Scott Stephan, and Jeff Donley. A special thanks to the Senior and Junior "cheerleaders".

CLAY'S PARK

IT'S THE PLACE TO BE FOR FUN IN THE SUN

FUN ON THE WATER

The crystal-clear lake is still cool and inviting. The giant water slides still stop your heart. The top, barrel roll, rings, slides, boats and boards are just as fun as ever. Miniature golf is still a blast.

BEACH VOLLEYBALL

We're now the premier outdoor volleyball center of Northeast Ohio. Our three white sand courts host freetime practice, league play and tournaments all summer long.

BMX FREESTYLING & SKATEBOARDING

We have the area's only facility for practice and competition. It's complete with a quarter pipe, ramps, wedges and steeplechase gates. Competitions are held four times each summer.

BEACH PARTIES

Keep tuned to local radio stations for the blow-out beach parties scheduled throughout the summer. We have DJ's spinning top 40 hits, bikini contests, giveaways, great food and lots more.

GROUP BASHES

Clay's Park hosts over 90 picnics and group outings every summer. We can easily handle all arrangements for groups of 50 to 5,000.

PRIVATE PICNICS

Don't forget the secluded glens and scenic spots. If a private picnic for two is what you want, there's no better place than Clay's Park.
