Watching a big cross-country meet from a distance is kind of like observing the Charge of the Light Brigade. There's this facination with the pageantry, the ritual, the colors, the hundreds of runners who eventually combine to form a long, winding snake that flows through the course. And there is the course itself -- grassy fields, trees bursting in autumnal splendor. And, perhaps, an ever present feeling of respect (and envy) that participants are meeting a lofty challenge.

Coach Whiting

A perfect season! 10-0! This was a team of players that had chemistry. We had a great band of senior leaders who cared about every player on the team, everyone in the school and the whole community. They built a family and the chance for something great to happen. The result was a 12-1 season, a NBC Championship, a deep run into the play-offs, and regional runner up trophy. We had several players set school records. They are Kevin Stacy, Josh Lowery, Vince Baiera, Cody Butzer, and Antonio Law. We had five All-Ohio players including two first-teamers, Broc Dial and Joe Ardman. We had a season to remember. I believe this season set the stage for many more to come. These players desire, dedication, and determination proved that "Champions are MADE, not Born!" **Coach Whiting**

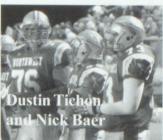

Coach Whiting received the NBC Coach of the Year, Stark County Coach of the Year and AP Div III All-Ohio Co-Coach of the Year.

Our Lady Indians played a great season this year. Being the first year for the NBC in girls soccer, we improved our foot skills and put in a great team effort. The girls went all the way to districts to play St. Vincent St. Mary and a final record of 7-8-3, and 4th in the league. The girls are happy that the season worked out to be even across the board. With excellent offense and a killer defense our ladies played some great games. By beating many of Northwest's biggest rivals the girls increased their fan base and started to play like CHAMPIONS! Thanks Fans!

Our Northwest volleyball team was amazing this year! The girls are an outstanding example of teamwork. The team was led to victory by the talented seniors, **Bri Ries** and **Ashley Ross**. The girls came in third place in their league and a record of 17-9. Although they impressed us this season, with our strong junior class the future of 2004 is looking very promising!

Evans (21), Vince Baiera (12), Matt Lewis (23), Jared Haslar (10), Vinnie Sette (50), Ryan Wallace (5), Craig Moore (32), Ken Sims (40), Chuck Samsa (55), Kevin Stacy (3), Dan White (33), James DeGuia (24) Ballboys Kneeling- Ryan Ostroisky and Michael Joyner Head Coach: Jim Lower, Assistant Coaches: Mike Lower, Paul Kunkle, Jim Kunkle, Brian Ziegler, Jay Baughman, Charlie Miller

The boy's basketball team won the NBC league title with a record of 15-1. The team made quite a run in the state tournament winning the Canton Sectional, District, and Regional titles on their way to Columbus. They finished their season with a school record 25 wins (against only 2 defeats) and as State-Runner-up! Oustanding Senior leadership and great play from the "Fab Five" propelled the team to a twenty-two game winning streak during the season and HUGE wins over highly touted Warrensville Heights and West Geauga in the Regionals and Dayton Chaminade-Julienne in the State Semi Final game. The Indians went into the State Championship game against Ottawa-Glandorff and the team never seemed to get on track against the Titans. Needless to say, many individual honors were earned by this group of young men. It was a season to remember for a life time. Thanks guys for all the great memories this year.

The Northwest Wrestling team completed another successful season this year. This year's team won back to back NBC titles and has a 16 match winning streak. The wreslers also won the school's first Sectional title in 29 years. We had eleven of our grapplers qualify for the Firestone Districts this year and three of them qualified for the State Wrestling Tournament. Cody Butzer capped off his wrestling career with a 121-23 record and captured the Division II 152 lb. State Championship. You all did a great job this year and I hope next season is even better.

* O * O REGION 5 RUNNER-UP O * O *

The Lady Indians rode the strong arm of Senior Christine Bills throughout the season and especially in the state softball tournament, as they advanced to the Region 5 Championship game for the first time in six years. Possessing an ERA of 0.40 with 249 K's for the year (school records), it was almost impossible for the opposition to score any runs against Christine and the young Lady Indians. Highlights of the regular season included the team's two victories over eventual NBC Champ, Marlington, who finished the league with a record of 12-2. Beating the Lady Dukes a third time in the District Semifinals also ranked high on the list of achievements for theteam. In the tournament, clutch defensive play and hitting were deciding factors in the ladies' successes. A 3 - O win over #4 state ranked Poland Seminary propelled our "Diamond Girls" into the regional championship against a very talented Walsh Jesuit team. A 1-0 defeat in ten innings left the girls just one game short of the school's first ever state softball tournament appearance. With many lettermen returning and the experience they gained this season, the future of Lady Indian softball should be very promising.

Both girls and guys had an excellent season this year. The girl's team surprised everyone when they placed 3rd in the NBC this year. There where five runners going to the regionals this year: The girls 4x100 team consisting of Lyndsey Johnson, Rachel Yost, Sian Roberts, and Lisa Van Gaasbeek. Also going was Richelle Teeling in the 100 & 300 meter hurdles and high jump. Great job team.

The 2003 Canned Food Drive

Wow! No one "CAN" stop Northwest! This year's food drive was a huge success thanks to the support and caring of our students. Our original goal was to collect 15,000 cans but there was no doubt we could top that. We had a record breaking grand total of 20,571 cans collected. The food items will be donated to local food banks in the area. Way to go students, and thanks to student council for sponsoring this worthy event!
